Directed Study Guides for Knowlton's Introduction to World Geography Alma Leonhardy, Hogoboom Grace W., Elizabeth Van Patten, 1929 Resources in Education , 1998 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1958 Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January December **The Patchwork of World History in Texas High Schools** Stephen Jackson, 2022-11-30 This book traces the historical development of the World History course as it has been taught in high school classrooms in Texas a populous and nationally influential state over the last hundred years Arguing that the course is a result of a patchwork of competing groups and ideas that have intersected over the past century with each new framework patched over but never completely erased or replaced the author crucially examines themes of imperialism Eurocentrism and nationalism in both textbooks and the curriculum more broadly The first part of the book presents an overview of the World History course supported by numerical analysis of textbook content and public documents while the second focuses on the depiction of non Western peoples and persistent narratives of Eurocentrism and nationalism It ultimately offers that a more global accurate and balanced curriculum is possible despite the tension between the ideas of professional world historians who often de center the nation state in their quest for a truly global approach to the subject and the historical core rationale of state sponsored education in the United States to produce loyal citizens Offering a new conceptual understanding of how colonial themes in World History curriculum have been dealt with in the past and are now engaged with in contemporary times it provides essential context for scholars and educators with interests in the history of education curriculum studies and the teaching of World History in the United States *The Journal of Education* , 1910 Introductory College Geography Textbooks, 1940-1965 John V. Bergen, 1966 Doing Race in Social Studies Prentice T. Chandler, 2015-07-01 Race and racism are a foundational part of the global and American experience With this idea in mind our social studies classes should reflect this reality Social studies educators often have difficulties teaching about race within the context of their classrooms due to a variety of institutional and personal factors Doing Race in Social Studies Critical Perspectives provides teachers at all levels with research in social studies and critical race theory CRT and specific content ideas for how to teach about race within their social studies classes The chapters in this book serve to fill the gap between the theoretical and the practical as well as help teachers come to a better understanding of how teaching social studies from a CRT perspective can be enacted The chapters included in this volume are written by prominent scholars in the field of social studies and CRT They represent an original melding of CRT concepts with considerations of enacted social studies pedagogy This volume addresses a void in the social studies conversation about race how to think and teach about race within the social science disciplines that comprise the social studies Given the original nature of this work Doing Race in Social Studies Critical Perspectives is a much needed addition to the conversation about race and social studies education **Introduction to World Geography**
