

**AP WORLD HISTORY FINAL EXAM (SEMESTER 2) STUDY GUIDE****EXAM TIME:** \_\_\_\_\_ (Study guide due at this time!)

The AP World History Final Exam will be comprised of all material from throughout second semester. This includes notes, vocabulary, chapter readings, and homework assignments (especially any comparison charts). Below is a list of the notes we took this past semester – notes are available on the class website (<http://mrbillbrey.wordpress.com/>). The final exam will be made using the questions you find below – the final questions may be modified or changed in some ways, but will essentially be the same and will reflect the same information. If you can thoroughly answer these questions, you will be able to answer the questions on the final.

There will also be a map section on the Final – see the world map you received as Bell Work. You will be tested over the locations listed on the map.

**Wiki Works** Robert Maloy,Allison Malinowski,2017-11-01 Wiki Works in the History and Humanities Classroom shows how teachers and students working together as learning partners can use interactive wiki technologies to transform the teaching of history and humanities topics through web based research and inquiry based learning In its e text and print editions the book presents teaching strategies and technology integration examples from resourcesforhistoryteachers and other open educational content wikis Written for K 12 history social studies and humanities teachers college and university level teacher educators and college students who are preparing to become classroom teachers in middle and high schools there are separate chapters focus on using teacher and student made wikis to address curriculum standards teach web research and digital literacy explore dramatic historical events develop historical biographies connect influential literature discuss special topics and build flipped learning instructional lessons Study Guide James Schmiechen,2004 *History of the World (Teacher Guide)* Kevin Swanson,2017-11-02 Course Objectives Students completing this course will Explore the history of the ChurchLearn about the lives of courageous missionaries around the worldUnderstand the importance of spreading the GospelStudy current global missions needsAcquire geographical knowledge Vocabulary Study Having a good vocabulary is essential for students to be effective communicators thinkers and readers It is a skill that is applicable to any academic discipline including history Students should be encouraged to look up words that they do not know when they encounter them while reading Students will not do formal vocabulary activities in this course but a glossary has been provided for words that the students may find difficult or unfamiliar in the assigned reading Upon encountering an unknown

word the student should consult the glossary provided at the back of the teacher guide and or a dictionary Students should also be aware that many of these words have multiple meanings It is important that students learn to use the context of these words in the text to help understand their meanings Students are encouraged to maintain a list of these words and review them periodically throughout the course Review could include writing the words and their definitions on index cards to use as flashcards having students create their own dictionaries or using the words in sentences This component of the course is entirely optional however and not built into the schedule Using Vintage Books One of the books included in this course Adventures in Missionary Heroism was originally published in the early 1900s There is real value in reading vintage books like this one These historical texts not only provide us with information but also insight into the attitudes and perceptions of people from that time It is important to remember that vintage books can express attitudes and use terminology that is no longer considered appropriate When students come across these moments in vintage books it is the perfect opportunity for them to have a discussion with their teacher about this material Teachers and students can use this opportunity to analyze the differences in attitudes between now and then as well as to review Biblical principles regarding issues like racism These conversations will provide students a context for understanding the attitudes expressed in the text as well as help them develop their own skills of discernment and critical thinking when it comes to materials they are reading
