Essay Question: *Two will appear on the exam, you will do one, 70% of grade.*

1. Examine the role of the Americas (including North, South and Central America as well as the Caribbean islands) and American products in the development of world trade from the age of Columbus to the American Revolution. Be sure to discuss the role of Atlantic slavery. Were the Americas the driving force behind economic modernization?
2. Write an essay on the role of religion in early modern (1492-1789) states, drawing on evidence from Christian Europe and its colonies, the Islamic world, and East Asia. How important was religion for early modern rulers? Did the role of religion in the state vary according to different religions or cultures?
3. Discuss the political and social revolutions that rocked the Atlantic and Mediterranean worlds from 1775 (the American Declaration of Independence) to the abolition of slavery in the British Empire in 1833. Should the period be seen as one of a dramatic break with the power structures of the last few centuries, or are the elements of continuity underrated?
