**Electrical Construction and Maintenance** ,1988      **Industrial Arts & Vocational Education** ,1967      Strip Club Mastery Stro Diggs,2017-05-05 Have you ever been to a strip club and noticed that some guys seem to get all the attention from the strippers If you re like most men you probably assume that these guys are spending a lot of money offering illicit drugs or are some kind of alpha males that you either can t or don t want to compete with What if I told you that this was an illusion a MIRAGE to help separate you from your money Nothing in a strip club is as it appears don t be fooled Sure there will always be the guy who throws money around strip clubs and dominates the strippers time after all it s their job to take their money but do you think these guys are actually going home with them and having any kind of sexual relations with them Hell no they aren t If you think all it takes is deep pockets and good looks to attract strippers then prepare to have your mind blown I m going to show you a simple and flawless way to walk into any strip club in the world and pull any stripper you want night after night without spending ANY of your hard earned money I m going to show you how to be the guy who DOES go home with strippers and experiences the thrill and validation of being chosen by women who have a vast selection of men to choose from But it gets WAY better than that I m going to show you how to get the hottest strippers to come over to your place night after night without you even having to go into the club anymore But before I get too far ahead let me to introduce myself My name is Stro Diggs Twitter but most people just call me Stro or Diggs PUA Forum I ve spent a ridiculous amount of time in strip clubs over the last 15 years I know just about everything there is to know about how strip clubs operate I know the who what where when and why of the strip club game I can get VIP status or its equivalent at strip clubs in days and weeks instead of months and years and I can do it without spending hardly any money at all I ve been to strip clubs all around the globe and I ve learned the ONE weakness they all have They can all be played using simple social and psychological tactics that ANYONE can learn But there s a catch Strip clubs are designed and operated to give the clubs dancers and staff an unfair advantage over the customers who walk in the door Much like a casino the odds are stacked against you Here s where I come in I ve been in the middle of the strip club game for so long that I m willing to bet that I can teach you how to master it just like me It doesn t matter what you look like or how much money you spend in the club Actually spending a lot of money in the club makes it HARDER to seduce strippers but more on that later It s all about having the right attitude and working a solid game plan Over the years I have developed and perfected word for word lines and routines that I use over and over again to pull strippers out of the club and into the bedroom with minimal effort I have perfected them through rigorous testing and tweaking finally reducing them to their purest form and made them incredibly easy to learn I have helped many men experience some of the best nights of their lives in strip clubs After compiling all of my strip club secrets advice tips tactics and techniques into an informative ebook I am making it available online for the first time Take a look inside my book and see why it s the ultimate guide to stripper seduction and VIP status      **The Love**
