All the People in the Bible Richard R. Losch, 2008-05-13 More than any other book the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable Many are mentioned only in passing yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings For this reason we have in many cases been able to tell much more about them than the Bible alone reveals Richard R Losch from the preface A comprehensive gathering of persons found in the Bible including the Apocrypha All the People in the Bible really delivers on its title literally

all of the Bible's characters appear in this fascinating reference work From the first article on Aaron to the final entry on Zophar Richard Losch details each person in a lively narrative style The bulk of the book consists of Losch's A-Z articles covering the familiar and the not so familiar figures in Scripture Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452 That listing All the People in the Bible and Apocrypha includes pronunciations brief identifications and biblical references Persons covered in greater detail in the main part of the book are identified in bold print Losch's intriguing look at all the people in the Bible is anything but a dry reference work This is a book to dip into and enjoy over and over *Let Me Tell You Some Stories* Bruce Reese, 2018-12-12 Let Me Tell You Some Stories In Rhythm Rhyme Poetry Prose About Lovely Ladies Mothers Wives Sisters Lovers Other Things In Life ponies puppies and cowboys Original poems stories written by Bruce Reese Dallas Texas A Master Story Teller and Wordsmith writing in a unique style about a host of subjects and experiences A real cowboy with roots in the Southwest but exposed to a broad cross section of society and current technology His book has tributes to the ladies reflections humor real stories Those who have read it love it **Tales of the Strange by a Korean Confucian**

**Monk** Dennis Wuerthner, 2020-04-30 One of the most important and celebrated works of premodern Korean prose fiction *K mo sinhwa* New Tales of the Golden Turtle is a collection of five tales of the strange artfully written in literary Chinese by Kim Sis p 1435 1493 Kim was a major intellectual and poet of the early Chos n dynasty 1392 1897 and this book is widely recognized as marking the beginning of classical fiction in Korea The present volume features an extensive study of Kim and the *K mo sinhwa* followed by a copiously annotated complete English translation of the tales from the oldest extant edition The translation captures the vivaciousness of the original while the annotations reveal the work's complexity unraveling the deep and diverse intertextual connections between the *K mo sinhwa* and preceding works of Chinese and Korean literature and philosophy The *K mo sinhwa* can thus be read and appreciated as a hybrid work that is both distinctly Korean and Sino-centric East Asian A translator's introduction discusses this hybridity in detail as well as the unusual life and tumultuous times of Kim Sis p the *K mo sinhwa*'s creation and its translation and transformation in early modern Japan and twentieth century especially North Korea and beyond and its characteristics as a work of dissent *Tales of the Strange by a Korean Confucian Monk* will be welcomed by Korean and East Asian studies scholars and students yet the body of the work stories of strange affairs fantastic realms seductive ghosts and majestic but eerie beings from the netherworld will be enjoyed by academics and non specialist readers alike [The Complete Idiot's Guide to English Literature](#) Jay Stevenson, 2007

*African Mythology, Femininity, and Maternity* Ismahan Soukeyna Diop, 2019-08-24 This book explores feminine archetypes and mythological figures in African and European traditions with an underlying goal of describing the foundations of social status for women The author provides a rich corpus of mythology and tales to illustrate aspects of female and mother daughter relationships Diop analyzes the symbolic aspects of maternity and femininity describing the social meaning

of the matrix breasts and breastfeeding A retrospective of female characters in African literature brings an interesting approach to explore the figures of femininity and maternity in society After an extensive analysis of African mythology and tales the author proposes a way to integrate them in the clinical psychotherapy as a projective material The analysis of clinical cases offers an example of how this material can be used in therapy with women from African descent *Sunday stories*, ed. by H. Aspden Hartley Aspden, 1902 The Advocate, 2004-10-12 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States The Qur'an and the Aesthetics of Premodern Arabic Prose Sarah R. bin Tyeer, 2016-09-10 This book approaches the Qur'an as a primary source for delineating the definition of ugliness and by extension beauty and in turn establishing meaningful tools and terms for literary criticism within the discipline of classical Arabic literature adab Focusing on the aesthetic dimension of the Qur'an this methodology opens up new horizons for reading adab by reading the tradition from within the tradition and thereby examining issues of decontextualisation and the untranslatable This approach in turn invites Comparatists as well as Arabists to consider other means and perspectives for approaching adab besides the Bakhtinian carnival Applying this critical strategy to literary works as diverse as One Thousand and One Nights and The Epistle of Forgiveness Sarah R bin Tyeer aims to prove two major points how Bakhtin's aesthetics is anachronistic and therefore theoretically inappropriate when applied to certain literary works and how ultimately this literary methodology is sometimes used as a proxy for ungrounded and sometimes unfair arguments by other scholars Foreword by Angelika Neuwirth Professor of Quranic studies Freie University Berlin Germany **Art as Performance, Story as Criticism** Craig S. Womack, 2014-10-20 Pick up a work of typical literary criticism and you know what to expect prose that is dry pedantic well meaning but tedious slow going and essentially humorless But why should that be so Why can't more literary criticism have a political edge and be engaging and fast paced Why can't it include drama personal narrative and even humor Why can't criticism become an artistic performance rather than just a discussion of art Art as Performance Story as Criticism is Craig Womack's answer to these questions Inventive and often outrageous the book turns traditional literary criticism on its head rejecting distanced purely theoretical argumentation for intimate engagement with literary works Focusing on Native American literature Womack mixes forms and styles He is unafraid to combine meticulous research and carefully considered historical perspectives with personal reactions and reflections The book opens with a short story The Song of Roe N ld in which a Native filmmaker loses control of his movie project in part because of his homoerotic attraction to its star The following chapters or musings include original dramas while others more closely resemble traditional literary criticism such as essays discussing the lesser known plays of Lynn Riggs and the stories of Durango Mendoza Still other chapters defy easy categorization such as the piece Caught in the Current Clinging to a Twig in which Womack interweaves historical analysis of the state of the Creek Nation in 1908 with a vivid recreation of the last day on earth of Creek poet Alexander

Posey Throughout the book the author offers his take on such controversial issues as the Cherokee freedmen issue and the ban on gay marriage In being different Womack seeks to breathe new life into literary analysis and in troduce criticism to a wider audience Radical groundbreaking and refreshing Art as Performance Story as Criticism reinvents literary criticism for the twenty first century      **The Parentage and English Progenitors of Nathaniel Coney of Boston, Mass** Thomas Hills,1906      Dictionary of the Bible: Marriage to Regem William Smith,1872      **Old Stories Re-told** George Walter Thornbury,1870
