Read,2008 The famous Tip O Neill axiom all politics is local comes alive in this chronicle of Democrat James H Read s hard fought but unsuccessful by 98 votes bid for state legislature in the socially conservative communities of Stearns and Morrison Counties Minnesota Read door knocked 7 500 households during his campaign visiting with voters and engaging in genuine dialogue on doorsteps from St Anthony to St Joseph At once a memoir of a hard fought contest and a meditation on the state of American democracy Read s work contrasts the modern media driven political campaign where candidates glean their knowledge of voters from pollsters and communication only flows one way with the kind of true understanding of constituents and issues that can only

grow from individual encounters Face to face doorstep conversations he claims give a candidate or volunteer and voter an opportunity to truly persuade and learn from one another In a district where the pro life movement dominated politics Read s invitation to honestly discuss abortion and reject single issue politics resonated with many voters Refusing the red state versus blue state view of American voters Doorstep Democracy shows the power and importance of kitchen table politics people sitting down together to tackle the issues that affect us and proves that voters and candidates can be convinced to change their minds Read ultimately demonstrates how conversations between citizens concerned about their communities can get us beyond the television ads mass mailings and sound bites to rejuvenate American democracy **Microsoft Word**

Basketball has taken me all over Alaska with radio gear or whistle in hand From Barrow to Petersburg from Dutch Harbor to Tok it has been a marvelous journey with countless amusing experiences as well as dramatic moments Much of the action occurs in my hometown Cordova A small fishing town of 2500 located on Prince William Sound its denizens are passionate about their hoops and also their rivalry with Valdez located just 70 miles away In many ways sports transcend location Small town basketball is the same anywhere yet Alaska with its vast spaces and dramatic climates offers unique experiences In northernmost Barrow I watched Inupiat cooks shut down a high school cafeteria so they could glimpse the sun for the first time in 67 days on the way to Dutch Harbor I heard a pilot announce the reassuring words that he would land the small prop plane whenever we can to load on fuel necessary to complete the flight in Petersburg I learned about julebukking and Men s Night Out Refereeing always a source of potential controversy has provided its share of highlights How many officials can claim fame for calling a technical foul on a curtain or playing the first minutes of a championship game with the wrong size ball Football and baseball are also included Guess who brought Oregon State s mascot Benny the Beaver to Cordova s Iceworm Festival and dodged barbed wire while tracking down a fly ball in Korea And like so many others who can not recall in vivid detail a last second shot that didn t go in People places moments Sports drama tears and cheers It s all here
