significant contributors to scholarship on Moore as a way of acknowledging the importance of Moore's verse to living writers. The poems compliment the scholarly essays by demonstrating in verse the important ways in which Moore's artistic achievements have stimulated her successors. *Discovering America's Past*, 1993. Pronunciation Contrasts in English Don L. F. Nilsen, Alleen Pace Nilsen, 2010-01-27. In this vibrant second edition, the authors have drawn from their own multiple years of teaching and from the knowledge and ideas of 50 linguists and ESL teachers who specialize in particular languages. New to this edition is Part I, an entire section on English spelling as a morphophonemic system. Here Nilsen and Nilsen clearly explain concepts and patterns of English spelling, pronunciation, and meaning to ease the process of learning English for non-native students as well as their teachers. In addition, the authors provide sample activities that creatively and effectively engage students in grasping a particular concept and include illustrative examples that show English is a systemic language. In Part II, the authors provide extensive lists of both vowel and consonant contrasts, each with phonetic diagrams and descriptions of minimal pairs, both isolated and in sentences, and specific languages for which the contrast may be problematic. These valuable examples help students hear and produce pronunciation differences that are important in English and bring their pronunciation closer to that of native English speakers. Both prospective and practicing teachers will appreciate the flexibility and freedom afforded by these well-designed materials.

Veiled in Death Stephanie Blackmoore, 2020-09-29. Wedding planner Mallory Shepard doesn't have time to organize her own nuptials because right now she's engaged in solving a murder. When Mallory discovers some old lace at a Port Quincy antique shop, she knows it'll make a perfect headpiece. But she's barely gotten it out of the store before Helene Pierce tears it from her hands. Helene claims it's a family heirloom that went missing when her late husband died in a hit and run twenty-five years ago. The conflict gets more complicated when the veil is attributed to none other than famed seamstress Betsy Ross. Mallory may have a genuine museum piece on her hands, but meanwhile Independence Day is right around the corner, and she has to host the town's Revolutionary War re-enactment. Then it becomes clear there's a bigger mystery behind all this history when a local woman is murdered with a musket, and Mallory's investigation could set off some fireworks.
