**The Duties of the Parish Priest ... Second Edition** John James BLUNT, 1857 **Calendar, Chronology and Worship** Roger T. Beckwith, 2019-01-28 This book takes as its theme the related issues of calendar chronology and worship as they were conceived and practised in ancient Jewish and early Christian times After a general discussion of the way the three issues are related there follow six chapters on the calendar first the standard Jewish calendar then the Qumran calendar giving particular attention to the Book of Enoch and the Temple Scroll and finally the Christian calendar both the standard Christian calendar and that observed by the Montanists Three chapters on chronology come next one of them offering a chronological solution to a puzzling calendrical problem in the Dead Sea Scrolls another relating Jewish eschatological expectations to New Testament teaching and a third examining the chronological calculations of the Hellenistic Jew Demetrius the Testaments of the Twelve Patriarchs and the Book of Jubilees The three concluding chapters on worship include an investigation of the historical development of the Psalter and a careful survey of the relationship between ancient Jewish worship and early Christian The book discusses a variety of issues that arise in modern biblical intertestamental and patristic study some neglected some very controversial and throws new light upon them *Building Temples in China* Selina Ching Chan, Graeme Lang, 2014-11-27 Much has been written on how temples are constructed or reconstructed for reviving local religious and communal life or for recycling tradition after the market reforms in China The dynamics between the state and society that lie behind the revival of temples and religious practices initiated by the locals

have been well analysed However there is a gap in the literature when it comes to understanding religious revivals that were instead led by local governments This book examines the revival of worship of the Chinese Deity Huang Daxian and the building of many new temples to the god in mainland China over the last 20 years It analyses the role of local governments in initiating temple construction projects in China and how development oriented temple building activities in Mainland China reveal the forces of transnational ties capital markets and identities as temples were built with the hope of developing tourism boosting the local economy and enhancing Chinese identities for Hong Kong worshippers and Taiwanese in response to the reunification of Hong Kong to China Including chapters on local religious memory awakening pilgrimage as a form of tourism women temple managers entrepreneurialism and the religious economy and based on extensive fieldwork Chan and Lang have produced a truly interdisciplinary follow up to *The Rise of a Refugee God* which will appeal to students and scholars of Chinese religion Chinese culture Asian anthropology cultural heritage and Daoism alike

**The Three Temples** Rachel Elijor,2004-03-01 Rachel Elijor demonstrates convincingly how the Jewish mystical tradition crystallized in its early stages She attributes its origins to priests prevented by circumstances from serving in the Temple replacing the earthly Temple liturgically and ritually with a heavenly Merkavah and heavenly sanctuaries known as Heikhalot they created a mystical world in which ministering angels replaced Temple priests thereby giving Judaism a new spiritual focus
