origin lies closer to home than any of them guessed Crown of Shadows Keri Arthur, 2022-10-05 Never mess with the relics of the old gods or the pixies who once guarded them After her mom s disappearance six months ago Bethany Aodh n has been running their tavern in old Deva something her family had been doing ever since a light fingered pixie lost them the job of guarding the treasures of the old gods eons ago Then her brother Lugh is attacked his best friend murdered and the tavern firebombed A confrontation with a former lover leads to the discovery of another murder and a missing jewel from a godly relic and Beth learns that the adrom Hoard one of three godly hoards now guarded by the elves has been stolen But this is no ordinary theft Darker forces are at work and they re not only seeking the means to resurrect a god of destruction but the power to forever banish daylight That power lay with Agrona's Claws three godly artifacts that when used together give the user full control over night itself With the webs of suspicion drawing ever tighter around them Beth Lugh with the help of two sexy elves and a cantankerous old goddess who knows far more than she admits race to find the missing artifacts before those intent on unleashing chaos It s a race they must win because it s not just their lives on the line but the fate of modern day England Blackbird Broken Keri Arthur, 2020-10-26 On the darkest day in the darkest hour when all hope has been extinguished a hand will draw the one true sword and a lost throne shall be reclaimed Generations of De Montfort women have protected the sword in the stone Gwen is the last of them following in the footsteps of her grandmother Moscelyne But the sword has now been drawn and the new Witch King may well be working with Darkside Now the race is on to find the missing artifacts that will stop the king accessing the full power of the sword But as the attacks escalate and the fractured clues of history are slowly pieced together Gwen Mo and Luc Durant the motorbike riding warrior from an ancient order of knights quickly realize all is not as it seems Worse still the true source of the plot to unleash Darkside and restore witch rule is far closer to home than any had guessed But as new prophecies rise and the truth of the sword in the stone becomes clear another race begins One that will end with a crown a throne and the fate of all England as its prize What people are saying about Keri Arthur's Novels BLACKBIRD BROKEN will have your heart in your throat from the beginning to the end And when you come to the last word I guarantee you will want more Annetta Sweetko Fresh Fiction This is possibly one of the most unique stories I ve ever read It is sensational Keri Arthur is always a good read The plot characters magical world is tightly and beautifully written and you can t help but fall into this Lots of action and great lore all through this Lisa Goodreads for Blackbird Broken OMG This was one hell of a final showdown that had me on the edge of my seat I love this series it is absolutely amazing and the characters are so addictive Rhonda Goodreads for Deadly Vows The Witch King s Crown Series Witches Magic Shapeshifters Demons Urban Fantasy Romance Fantasy Romance Sword in the Stone Knights of the Round Table Action and Adventure Lady in the Lake Strong Female Lead Sorrow's Song Keri Arthur ,2022-06-28 They say breaking up is hard to do They re wrong Living with the consequences is so much harder especially when sorrow is a powerful draw to evil Lizzie Grace is trying to get on with her life now that she and Aiden have gone their separate ways

but it s a difficult thing to do when just about everything reminds her of the damn man The situation is made worse when a body is found and her job as Deputy Reservation Witch means she has no choice but to interact with him At first the death seems to be nothing more than an accidental drowning in a remote location but it s soon evident a supernatural entity is involved As they race to uncover what is going on it becomes clear that this evil is not only targeting werewolves but one particular pack the O Connor's And the reason might well be the song of sorrow A song that Lizzie's grief might have given Tempting Darkness (Darkness Series Book 1) Jessica Hall, 2022-10-02 Nothing in our world is humane and birth to normal Especially not my mates First they killed my parents So I did the most rational thing at the time I ran Hard and fast without ever looking back But you can t run from the factions of the Fae especially not them Fae were the most powerful creatures in the world as long as we had magic and our mate Turns out I have not one mate but four Not one of my four mates was a good option each one as brutal and cruel as the other Darius was a Demonic Fae Tobias Vampiric Fae then there is Lycus he is a Were Fae and let's not forget Kalen Pure and devastatingly all Dark Fae They were all as cruel and as brutal as each other and they all wanted to destroy me Now I find myself at a crossroads as I am being hunted by werewolves in an unfamiliar city and I had to weigh up my options both unappealing However Low on magic and backed into a corner where I feel like I ve got nothing left to lose but my life I make a decision to run to the very men I spent six years running from I do the unthinkable I send out a flare of my magic an SOS to the very men I hide from It doesn't take long before I realize some things are worse than death Like being forced into a bond with the men who had ruined my life The men who wanted to destroy me to claim me to keep me There was just one thing that they have forgotten I was part darkness too And if they want to tempt darkness they would eventually taste it and nothing tastes sweeter than revenge Author Note Hello Lovely Readers This book may contain content some readers may find triggering It is a dark paranormal romance and the four main male leads are brutal toward the female lead Some may have noticed I said four Male leads As most of my readers know I primarily write reverse harem romances meaning one woman with multiple love interests No she doesn t have to choose between them A list of some of the triggers you may find in the book are below Degradation Blood Play Abuse Dub con torture This is a dark Fae Creatures book loosely using the term Fae as there are different variants of Fae However Dark Fae is not your average Tinkerbell There is no sprinkling of pixie dust unicorn farts or spreading the skies in rainbows My characters are darker and crueler with no limits So if you are unfamiliar with Dark Paranormal Romance and Reverse Harem or even slightly confused still I suggest you give old google a search If you re okay with the dark stuff and wish to continue reading well jump right in for a stomach dropping intense ride and I will see your lovely dark souls on the other side
