Tyler, Anne Cater, 2011 Death of a Minor Character E.X. Ferrars, 2022-09-20 A couple s been separated for six years but it doesn t stop them from sleuthing together in this British mystery by a CWA Lifetime Achievement Award winner Virginia Freer has had it with her sort of ex husband s taste for drama A shopkeeper who lived in Virginia s town has been murdered and Felix Freer s neighbor in London a sweet old bird has too The crimes took place miles apart But look at the coincidences Felix insists That unpleasant silversmith That awful couple seeking revenge These were not two separate murders according to him there is Something going on Virginia raises an eyebrow and sighs deeply The world lost a second Olivier she thinks when Felix opted for gambling mooching and petty theft rather than the stage But eventually even her relentless pragmatism gets worn down and thank goodness because there is indeed Something going on And Felix and Virginia are just the duo to sort it out chalk and cheese though they may be There are few detective story writers so consistently good Sunday Times

A Cruel Necessity L C Tyler, 2014-11-06 The first John Grey historical mystery The theatres are padlocked Christmas has been cancelled It is 1657 and the unloved English Republic is eight years old Though Cromwell s joyless grip on power appears immovable many still look to Charles Stuart s dissolute and threadbare court in exile and some are prepared to risk their lives plotting a restoration For the officers of the Republic constant vigilance is needed So when the bloody corpse of a Royalist spy is discovered on the dung heap of a small Essex village why is the local magistrate so reluctant to investigate John Grey a young lawyer with no clients finds himself alone in believing that the murdered man deserves justice Grey is drawn into a vortex of plot and counter plot and into the all encompassing web of intrigue spun by Cromwell s own spy master John Thurloe So when nothing is what it seems can Grey trust anyone Tyler juggles his characters story wit and clever one liners with perfect balance The Times A cracking pace lively dialogue wickedly witty one liners salted with sophistication Why would we not want more of John Grey The Bookbag **A Choice of Evils** E. X. Ferrars, 2023-09-12 A retired botany professor s seaside holiday is interrupted by murder in this final entry of a classic British mystery series

Retired professor Andrew Basnett for example envisioning little more than sandcastles and the blessings of a pale English sun on his pale English skin is startled to meet his nephew Peter on the beach He s yet more startled and not entirely thrilled when Peter gets him invited to dinner with a celebrity novelist And he s extremely startled when the novelist s sister in law is shot in the summer house and nephew Peter seems the likeliest man for the job We have often suggested that Andrew Basnett should be known as Mr Marple because the series village settings and pinpoint plotting and its canny creaky sleuth are so pleasingly reminiscent of the tales of St Mary Mead But they feature in addition a gentle wit that dare we say it Ms Christie could only dream about and this final installment is a perfect exemplar **I Met Murder** E.X. Ferrars,2023-09-26 Murder and Felix have the habit of turning up and turning up together in Virginia Freer s life like some macabre set of twinned bad pennies This time around a broken leg and the resulting need for soothing ministrations have led Felix to take up residence in Virginia s spare bedroom giving him a front row seat to the dramatic doings in the neighborhood These mostly involve Virginia s friend Ann Brightwell who has simultaneously come into a legacy and offered a home to a suddenly orphaned young cousin The excitement only ratchets up when the cousin disappears and a ransom is demanded Ann is prepared to sell her newly valuable goodies if it will bring her back but Felix cynic that he is isn t sure that s the wisest course of action He points out among other things that the cousin has a history with the police and that a local mystery writer seems to be taking a curiously keen interest in the whereabouts of this quite nubile young woman he s only barely met

Thinner Than Water E.X. Ferrars,2022-09-20 Weddings can bring out the worst in people For those who enjoy civilized mayhem the charming Freers will be a welcome diversion Kirkus Reviews Against her better judgment Virginia Freer has agreed to be a witness at an old friend s second wedding against her better judgment because the other witness is Felix her sort of ex husband On the other hand she does rather enjoy Felix in small doses Thank heavens for that because little else about the wedding is enjoyable from the oddly unwelcoming hostess to the vicious murder of the groom s father shortly after the spectacularly dull reception At least the police are amusing right out of a third rate comedy with their insistence that this was just a robbery gone wrong True some silver appears to be missing but Felix and Virginia have sadly seen enough murders to know when a fellow has been deliberately whacked in the head But nailing down the details and persuading the police will take some time It seems Virginia is in for rather a larger dose of Felix than she bargained for Praise for the novels of E X Ferrars An engrossing whodunit Publishers Weekly Fans of Agatha Christie will be pleased Denver Post **Smoke Without Fire** E.X. Ferrars,2022-07-18 A retired professor spends Christmas in a not so peaceful English village in this wryly witty mystery with a surprising and satisfying conclusion Publishers Weekly Andrew Basnett does not have very good luck with Christmas Most recently while visiting friends in Australia for the festive season he wound up with a front row seat to some rather extraordinary family strife And this time around his plans for a peaceful English village holiday get blown up when well when his hosts neighbor Sir Lucas Dearden gets blown up This is England in the 1980s everyone shudders blames

the IRA and moves on Except of course for Andrew Basnett Who knew he wonders about Sir Lucas s last minute change of plans Why had Sir Lucas meticulously removed one page of the rather stunningly dull memoir he was writing And could the bomb possibly have been intended for someone else Ferrars has published more than sixty books and the craftsmanship of this one shows why her popularity endures Publishers Weekly There are few detective story writers so consistently good Sunday Times *Knock, Murderer, Knock!* Harriet Rutland,2015-11-02 I think said Palk slowly there s a homicidal maniac loose in the Hydro but who it is God knows Presteignton Hydro is a drably genteel spa resort populated by the aged and crippled who relish every drop of scandal they observe or imagine concerning the younger guests No one however expects to see gossip turn to murder as their juniors die one by one no one that is except the killer The crusty cast of characters make solving the case all the harder for Inspector Palk until the enigmatic sleuth Mr Winkley arrives to lend a hand Knock Murderer Knock was Harriet Rutland s sparkling debut mystery novel first published in 1938 This edition the first in over seventy years features a new introduction by crime fiction historian Curtis Evans Very well written intelligent story of triple murder acid characterization Kirkus Reviews **A Hobby of Murder** E. X. Ferrars,2023-09-12 In this classic cozy mystery a retired botany professor visits an English country manor house where a dinner party turns into a hunt for a killer The irresistible Andrew Basnett series may have been written in the 1980s and 90s but its soul lies with the classic crime fiction of the 1930s Here for example is A Hobby of Murder with its setting at wait for it a classic country house party that staple of the Golden Age Rounding out the guest list are among others a mystery writer a lawyer with a reason to dislike him a doctor a retired teacher with a passion for photography and the lord of the local manor keen amateur chef Sam Waldron so keen that he has recreated an 18th century dinner His skills may not match his ambition but he didn t mean to poison the coffee Oh no The local police inspector isn t so sure but in the finest Golden Age tradition he s rather an idiot so when the bodies start piling up it s a good thing that Basnett is on hand to sort things out Bleeding Hooks Harriet Rutland,2015-11-02 They grabbed their fishing bags and made a dive for their rods which were standing ready for use outside the front door Well tight lines they called over their shoulders Bleeding hooks grinned the Major Gladys Ruby Mumsby was more interested in fishermen than fish When her corpse is discovered near a Welsh sporting lodge that is hosting a group of fly fishing enthusiasts it seems one of them has taken an interest in her too of the murderous kind For impaled in the palm of her hand is a salmon fishing fly so deep that the barb is completely covered Her face is blue It is thought at first she died of natural causes but the detective Mr Winkley of Scotland Yard almost immediately suspects otherwise And what happened to the would be magician s monkey that disappeared so soon after Mrs Mumsby s death Bleeding Hooks was the second of Harriet Rutland s sparkling mystery novels to feature the detective Mr Winkley First published in 1940 this new edition features an introduction by crime fiction historian Curtis Evans Once again a top ranking yarn in a story where the author introduces murder into a fishing paradise in Wales Lots of rod and line marginalia add to incisive characterization and well hidden crime

for a superior story Kirkus Reviews Murder method interesting characters well drawn and likeable sleuth unobtrusively slick and finish dramatic Saturday Review Frog in the Throat E. X. Ferrars, 2021-12-21 The murder of a local author has an amateur sleuth and her con artist ex husband on the case in this mystery by the author of Last Will and Testament Virginia's trouble is that whenever something awful happens it is far too easy to imagine that her ex husband Felix that lying light fingered charmer is behind it somehow So her suspicions are understandably raised when he unexpectedly shows up on her weekend getaway with the Boscotts just as her friend's engagement party is ruined by the murder of a local author Luckily for Virginia not to mention the Boscotts Felix's talent for lying makes him an expert in sniffing out other people's deceit Now they must investigate who would want to kill a kindly writer of historical fiction But can they truly trust Felix or will past prove to be prologue yet again **The Other Devil's Name** E. X. Ferrars, 2021-05-24 When an old colleague complains of disappearing neighbors a retired professor of botany starts digging for clues in this delightful cozy mystery Andrew Basnett may be retired from academia but that doesn't seem to have stopped his former colleagues from dumping problems in his lap This time around it's peppery Constance Camm whose neighbors keep disappearing Miss Camm and her sister Mollie would probably shrug it off if not for a frightening letter that reads I know where you buried the body But to which disappeared neighbor does the letter refer And why was it sent to Mollie who hasn't buried anything Spurred by a desire to help a friend Professor Basnett starts poking around But his efforts uncover more than one village skeleton and they may call up more than anyone has bargained for **A Murder Too Many** E.X. Ferrars, 2022-07-18 Academic conferences can be full of petty squabbles and sometimes not so petty ones There are few detective story writers so consistently good Sunday Times Professor Andrew Basnett has returned to his old university for a meeting of the Botanical Association an event that should be entirely benign aside from the usual inflated egos and bickering But he can't help being just a little curious about Carl Judd an artist who was murdered here just two years ago And of course about Stephen Sharland who's in prison for the murder even though no one thinks he did it not even Judd's widow The rumors are flying the tongues are wagging and then the only witness to the crime gets murdered too It's all too exciting no sorry too terrible too terrible for words Thank heavens Andrew Basnett is on hand to weed out the gossip and dig for the taproot of truth *A Death for a Dancer • A Death for a Doctor* E.X. Giroux, 2024-03-26 Gentlemanly Robert Forsythe and his longtime PA Sandy Sanderson are sleuthing up a storm investigating innocent victims who maybe weren't so innocent after all No Katherine St Croix was not a hooper but she also wasn't the pathetic angelic starveling that the wealthy Dancer clan imagined In fact she was a talented con artist selling her sob story while helping herself to the family jewels and silver But what she is now is dead her mutilated body found on the Dancer estate It's clear that one of the Dancers is similarly sitting on some sinister secrets and Forsythe has been asked to poke around He's happy to do the favor especially if he can stay alive while doing it And who would kill the village sawbones nice Dr Foster not to mention his pretty wife To answer that question Sandy goes undercover only to discover an

embarrassment of suspects it seems that half the folks in town had reason to loathe the doctor not to mention his pretty wife Can Sandy sift through them all Sure but she ll risk her own life to do it **Last Will and Testament** E. X.

Ferrars,2021-10-19 A wealthy woman s last will and testament draws together friends family a master felon and a charming conman in this delightful mystery series debut Mrs Arliss was witty Mrs Arliss was delightful But mostly Mrs Arliss was rich And now Mrs Arliss is dead Her friends and relations gathered to shed a tear knock back a post funeral sherry and determine what loot they ve inherited are horrified to discover that things are not as they might have wished Only two people seem to have cared for Mrs Arliss more than for her bank account and exquisite collection of eighteenth century miniatures One is her girlish secretary the very model of a flustered ingenue The other is Virginia Freer who had in many ways been a second Arliss daughter They should be free to mourn but Virginia has a problem The miniatures are missing and all clues point to her ex husband Felix a man who is charming affectionate and a double dipped scoundrel **The Crime and the Crystal** E.

X. Ferrars,2021-04-19 A retired professor finds that an amateur sleuth s work is never done even on an Australian holiday in this cozy mystery with a dandy plot Publishers Weekly Andrew Basnett takes a break from his little English village to spend Christmas in the small Australia city of Adelaide Visiting Tony an old colleague with a newish wife Basnett soon learns that a cloud hangs over the marriage Jan Tony s bride is widely believed to have murdered her first husband a fact that is giving Tony second thoughts Things don t get any more comfortable when at a family dinner one of the guests is killed with a chunk of the same crystal that had been Jan s alleged murder weapon And Jan herself has disappeared Now it s up to Professor Basnett to make the truth crystal clear [A Death for a Dilettante](#) • [A Death for a Dietitian](#) E.X. Giroux,2025-04-27 Robert

Forsythe London s favorite gentleman sleuth is called to determine which of 87 suspects is taking potshots at a rich old coot and Fosythe s intrepid assistant finds herself in the middle of a locked room murder mystery You thought the quest for eternal life was a new preoccupation the preserve of tech bros with too much money Not so It s the 1980s and rich old dilettante Winslow Maxwell Penndragon is shooting for a century or more but somebody else is shooting and they re aiming at Penndragon With heirs aplenty Winslow P calls in Robert Forsythe a London barrister with a nose for trouble and a reputation for discretion to figure out who s got murder on the mind Forsythe loves a good puzzle but he does not love Winslow P and it would appear he s got company As assistant to Forsythe and witness to his exploits Sandy Sanderson surely knows that when you bring a group of celebrity strangers to a snowbound isolated hotel it rarely ends well But Christmas in the countryside sounded so appealing So when one of the guests fails to turn up for breakfast it s terrible of course but for Sandy it s also ever so slightly familiar She knows her Agatha Christie And this is not her first rodeo **A Death for Adonis**

• **A Death for a Darling** E.X. Giroux,2023-12-26 With A Death for Adonis and A Death for a Darling we are delighted to introduce the Robert Forsythe series which was written primarily in the 1980s but carries all the flavors er flavours that fans of British Golden Age mystery have come to expect Forsythe himself a brilliant young barrister forced to give up the law in

response to a dreadful and undisclosed disgrace is very much in the Wimsey mold which is to say that solving crimes is his personal passion but by no means his bread and butter And though Forsythe lacks a Lugg like manservant he does have an indispensable and devoted secretary who shares the spotlight as the series develops Both Adonis and Darling nod very distinctly in the direction of the classic murder mystery novel Darling in fact is set during a country house weekend And for all that Giroux pseudonym of Canadian writer Doris Shannon was clearly steeped in the genre the Forsythe series is no museum piece managing the neat trick of being both charmingly vivid and delightfully well bred **The Greek Anthology**
