

A close-up photograph of a bowling ball striking a pin. The ball is a solid, vibrant orange color and is positioned in the center of the frame, slightly below the horizontal line of the pins. It is in motion, as evidenced by a soft, out-of-focus orange and pinkish trail behind it. Ten white bowling pins with red rings are arranged in a triangular formation in the background. The scene is set on a polished wooden bowling lane, which reflects the ball and the pins. The background is dark, making the white pins and the orange ball stand out.
