

The image features a central, irregularly shaped piece of white, aged paper with a torn, deckled edge. This central piece is set against a background of a repeating pattern of the word "TERRORISM" in a bold, black, sans-serif font. The background text is slightly blurred and appears to be on a textured surface. The central piece of paper has the word "TERRORISM" printed in a large, bold, black, serif font, centered horizontally and vertically. The overall composition is layered and textured, with the central paper appearing to be placed on top of the patterned background.

The Routledge Handbook of Terrorism Research Alex Schmid, 2011-02-25 This major new Handbook synthesises more than two decades of scholarly research and provides a comprehensive overview of the field of terrorism studies. The content of the Handbook is based on the responses to a questionnaire by nearly 100 experts from more than 20 countries as well as the specific expertise and experience of the volume editor and the various contributors. Together they guide the reader through the voluminous literature on terrorism and propose a new consensus definition of terrorism based on an extensive review of existing conceptualisations. The work also features a large collection of typologies and surveys a wide range of theories of terrorism. Additional chapters survey terrorist databases and provide a guide to available resources on terrorism in libraries and on the Internet. It also includes the most comprehensive World Directory of Extremist Terrorist and other Organizations associated with Guerrilla Warfare, Political Violence, Protest and Organized and Cyber Crime. The Routledge Handbook of Terrorism Research will be an essential work of reference for students and researchers of terrorism and political violence, security studies, criminology, political science and international relations and of great interest to policymakers and professionals in the field of counter terrorism.

The Routledge Handbook of Terrorism Research Alex Peter Schmid, 2011. This volume is a monumental collection of definitions, conceptual frameworks, paradigmatic formulations and bibliographic sources which is now being revised and updated as a resource for the expanding community of researchers on the subject of terrorism.

Research Handbook on International Law and Terrorism Ben Saul, 2020-04-24. This newly revised and updated second edition provides a comprehensive overview of international counter terrorism law and practice. Brand new and revised chapters provide critical commentary on the law from leading scholars and practitioners in the field, including new topics for this edition such as foreign terrorist fighters, the nexus between organized crime and terrorism and the prevention of violent extremism.

A Research Agenda for Terrorism Studies Lara A. Frumkin, John F. Morrison, Andrew Silke, 2023-02-14. The Oxford Handbook of the History of Terrorism Carola Dietze, Claudia Verhoeven, 2022. The Oxford Handbook of the History of Terrorism presents a re-evaluation of the major narratives in the history of terrorism, exploring the emergence and the use of terrorism in world history from antiquity up to the twenty-first century. The volume presents terrorism as a historically specific form of political violence that was generated by modern Western culture and then transported around the globe where it interacted with and was transformed in accordance with local conditions. It offers cogent arguments and well-documented case studies that support a reading of terrorism as a modern phenomenon as well as sustained analyses of the challenges involved in the application of the theories and practices of modernity and terrorism to non-Western parts of the world, both for historical actors and academic commentators.
