Qatar's Foreign Policy Marwan Kabalan,2024-11-14 This study offers an analysis of Qatar s foreign policy since its independence from Britain in 1971 Locked between two vying powers Iran and Saudi Arabia and lacking the traditional elements of influence in the regional and international state system such as land human capital and advanced industry Qatar nevertheless wields a disproportionately large amount of regional influence with an assertive foreign policy approach Here Marwan Kabalan highlights the strategies pursued by the ruling Qatari elite especially during the last two decades and delves into the methods Qatar has used to deal with the structural challenges to its foreign policy These strategies include financially leveraging its access to crucial resources such as natural gas and its manipulation of existing regional frictions The book also addresses Qatar s soft power influence positioning itself as an alternative cultural and intellectual hub in the Arab world enabling it to take a leading role particularly as a mediator in the region By highlighting Qatar s foreign policy strategies and outcomes Kabalan illustrates how the Qatari case challenges key assumptions of international relations theory which assumes that wealthy small powers tend to pursue passive foreign policies and that structural forces minimize the role of ruling elites in foreign policymaking

Understanding the Age of Transitional Justice Nanci Adler,2018-06-22 No detailed description available for Understanding the Age of Transitional Justice

Healing Politics Abdul El-Sayed,2020-03-31 A memoir about restoring the health of our people and our democracy from a physician and one of the brightest young stars of the progressive movement Sen Bernie Sanders A child of immigrants Abdul El Sayed grew up feeling a responsibility to help others He threw himself into the study of medicine and excelled winning a Rhodes Scholarship earning two advanced degrees and landing a tenure track position at Columbia University At thirty he became the youngest city health official in America tasked with rebuilding Detroit s health department after years of austerity policies But El Sayed found himself disillusioned He could heal the sick even build healthier safer communities but that wouldn t address the social and economic conditions causing illness in the first place So he left health for politics running for Governor of Michigan and earning the support of progressive champions like Congresswoman Alexandria Ocasio Cortez and Senator Bernie Sanders This memoir traces the life of a young idealist weaving together powerful personal stories and fascinating forays into history and science Marrying his unique perspective with the science of epidemiology El Sayed

diagnoses an underlying epidemic afflicting our country an epidemic of insecurity And to heal the rifts this epidemic has created he lays out a new direction for the progressive movement This is a bold personal and compellingly original book from a prominent young leader In *Healing Politics* Abdul El Sayed doesn't just diagnose the causes of our broken politics he gives us a prescription and treatment plan Representative Pramila Jayapal *Environmental, Social, and Corporate Governance and Sustainability* Taewoo Roh, Minwoo Lee, Byung Il Park, 2022-11-28 *Against the Seas* Mary Soderstrom, 2023-02-28 An incredible read While unflinching in her analysis Soderstrom nevertheless gifts us with a message of hope and resilience MAUDE BARLOW activist and author of *Still Hopeful Lessons from a Lifetime of Activism* What can we learn about coping with rising sea levels from ancient times The scenario we are facing is scary within a few decades sea levels around the world may well rise by a metre or more as glaciers and ice caps melt due to climate change Large parts of our coastal cities will be flooded the basic outline of our world will be changed and torrential rains will present their own challenges But this is not the first time that people have had to cope with threatening waters because sea levels have been rising for thousands of years ever since the end of the last Ice Age Stories told by the Indigenous people in Australia and on the Pacific coast of North America and those found in the Bible and the Epic of Gilgamesh as well as Roman and Chinese histories all bear witness to just how traumatic these experiences were The responses to these challenges varied people adapted by building dikes canals and seawalls by resorting to prayer or magic and very often by moving out of the way of the rushing waters *Against the Seas* explores these stories as well as the various measures being taken today to combat rising waters focusing on five regions Indonesia Shanghai the Sundarbans of Bangladesh the Salish Sea and the estuary of the St Lawrence River What happened in the past and what is being tried today may help us in the future and if nothing else give us hope that we will survive **Middle Powers and Regional Influence** Joshua B. Spero, 2018-11-16 In the growing literature on middle powers this book contributes by expanding case study analysis and extending international relations theory in its application to foreign policy decisions Thus this book builds on prominent middle power literature and aims to advance our theoretical understanding for why crucial foreign policies were made by the pivotal middle powers this book examines Poland South Korea and Bolivia For this book's three case studies and their first term leadership's critical junctures from first term post communist Poland post authoritarian post ruling party South Korea and post colonial Bolivia we have the antecedents for contemporary middle powers essential for realizing the regional evolution for cooperative change with greater powers systemically we may then grasp today why those historical foreign policies albeit not so long ago give us crucial antecedents for adapting and trying yet again to resolve seemingly perennial power dilemmas regionally peacefully Here are why middle power impact matters not only regionally for stronger dominant greater power neighbours but also for transformative middle power leaderships which proved pivotal geopolitically for their region's challenges and changes *The Emerald* *International Handbook of Technology-Facilitated Violence and Abuse* Jane Bailey, Asher Flynn, Nicola Henry, 2021-06-04 The

ebook edition of this title is Open Access and freely available to read online This handbook features theoretical empirical policy and legal analysis of technology facilitated violence and abuse TFVA from over 40 multidisciplinary scholars practitioners advocates survivors and technologists from 17 countries

Governing Asian International Mobility in Australia Xianlin Song, Greg McCarthy, 2019-08-12 This book examines the governance of Asian student and academic mobility which has transformed the higher education landscape While campuses are experiencing an unprecedented level of diversity knowledge creation remains explicitly Eurocentric and dominated by the Global North The authors advocate for a new educational paradigm that takes into account the transcultural flow of knowledge on campus as a public good capitalises on Asian students and academics multilingual competencies and offers them equal access to creating quality orientated education The book argues that international higher education must be grounded in both a plurality of knowledges and the ethics of cognitive justice and that the governing policies should facilitate the higher education sector to build a platform of internationalising affect and effect on campus
