He ~~assemble them and paint them~~, and it was fun. My dad ~~was always showing off my work~~ to his friends, so I decided to get serious and make it a real hobby. Now I build my own models with engines that can really fly.

QUILTING

When I was young, my mom ~~was always collecting~~ old pieces of colorful cloth. At some point, she ~~would sew them together~~ into shapes, and then she ~~would combine the shapes together~~ to make a huge bed cover. I used to think it was embarrassing to have my friends come over and see all those pieces of cloth lying around. But today I'm really proud of the quilts my mom made.

PRACTICING A MARTIAL ART

When I was about eight, my friends were all learning martial arts. They'd ~~walk past me~~ because in their uniforms on their way to karate class, and I really wanted to join them. So I told my mom, and she agreed to let me. I've been practicing ever for more than ten years. It's helped me to feel really confident physically.
