Chaudhuri,2017-05-15 This eighth volume of The Shakespearean International Yearbook presents a special section on European Shakespeares proceeding from the claim that Shakespeare s literary craft was not just native English or British but was filtered and fashioned through a Renaissance awareness that needs to be recognized as European and that has had effects and afterlives across the Continent Guest editors Ton Hoenselaars and Clara Calvo have constructed this section to highlight both how the spread of Shakespeare throughout Europe has brought together the energies of a wide variety of European cultures across several centuries and how the inclusion of Shakespeare in European culture has been not only a European but also a world affair The Shakespearean International Yearbook continues to provide an annual survey of important issues and developments in contemporary Shakespeare studies Contributors to this issue come from the US and the UK Spain Switzerland and South Africa Canada The Netherlands India Portugal Greece France and Hungary In addition to the section on European Shakespeares this volume includes essays on the genre of romance issues of character and other topics      Literature and Ethics in High School English Classes Ross Collin,2024-10-17 This book offers a defence of ethical

reading in secondary school English classes at a time when reformers and policy makers are trying to reorganize English language arts around technical skills or politics Ross Collin shows how students and teachers use literature as a venue for exploring their own and others ethical ideas and practices and argues that moral inquiry in English class is a distinctly social endeavour The book draws ideas from English education and moral philosophy From English education Collin explores social reading or what Louise Rosenblatt named transaction looking at texts commonly taught in secondary school English including Shakespeare s Romeo and Juliet and Jacqueline Woodson s Brown Girl Dreaming From philosophy he draws on arguments about moral vision and literature developed by Iris Murdoch Martha Nussbaum and Nora H m l inen and develops

ideas tacit in English education about reading with moral vision He concludes by proposing a new theory of moral vision in transactional reading

**Bringing Forth the Bard** Zoe Enser, 2022-05-06 Foreword by Professor Emma Smith The more you explore the plays of Shakespeare the more you realise how they are an interrelated network of ideas and themes linked to his context his audience and his understanding of the world In *Bringing Forth the Bard* Zoe Enser equips busy teachers with the core knowledge that will enable them to make links between the themes characters language and allusions in Shakespeare's oeuvre Each chapter includes tips on how to bring his plays to life in the classroom and features case studies from practising teachers in a range of contexts to illustrate how they can ensure that their students develop an appreciation of his work moving beyond the requirements of exams and empowering them to engage in the discussion around his influence and enduring appeal Underpinned by the author's academic enquiries on the subject at both undergraduate and master's level the book enables teachers to access the information they need in order to enrich their teaching beyond a single play and begin to unpick the threads of Shakespeare's work as a whole The link between subject knowledge and pedagogical approaches runs throughout the book focusing on the Shakespeare plays most popularly taught in the classroom and how we can enrich students' understanding of these by looking both at the links across the domain and the bigger picture his work presents Zoe builds a detailed schema of Shakespeare's work his world his ideas and his influences and offers signposts to further reading and provides an appendix which will support teachers to rapidly find references to the plays they are teaching and the ideas related to them Suitable for teachers of English in all phases
