

There's Always Room for One More

written by Robyn McCreath illustrated by Phyllis Kloss

There's Always Room for One More is the perfect way to celebrate love and positive traditions.

For little families starting to build their own traditions.

For a reminder to everyone around a table that we are all part of the same world.

For the joy and wonder experienced when food, love, and family bring the world's different people to the same table.

For the way that food helps us connect. Reminds us that the world can be full of love when we spend our days and evenings with the ones we love. Because there's always room for one more.
