

Is Money the root of Evil

In our world today there is one item that controls us and influences us all, money; the thing that makes us who we are or who we want to be. However, money is not necessarily the root of all evil. If money is used appropriately, money has the influence of benefiting those around us, yet at the same time it can bring out the worst in many people. Money also controls society where it can cause substantial problems in politics, the government as well corrupt cities. Lastly, although money is indeed the root of everything, we cannot live with money because of our economic society.

Everything has its pros and cons and whatever it may be there is always an outcome. Money however, is not necessarily the root of all evil. Money can definitely help many people. Through my experiences, I've learned that money can make a huge impact for those around us. For instance, every year I stock a shoebox with toys and goods for the yearly event of Operation Christmas Child. Knowing that a child from around the world is receiving my shoebox, I can understand that a little money can bring happiness for those who are in need. However, anyone can use money, even well off citizens; it doesn't matter if you are poor, wealthy or rich. You can spend money on whatever you like; whether its computer games, food, entertainment, or even gambling. The problem with money is that everyone would like an abundance of it, but not everyone has the opportunity to have it at their disposal. When too many people are longing for the same thing and there is not enough to go around, people start creating their own ways on how to get their own share. Soon enough, crime becomes a factor and humans lose their morality and start stealing from one another. When I was in grade 10, my parents bought me a brand new iPod; nevertheless, it was stolen because someone wanted it as well.

Money also can cause significant damage to once a stable political society to become spiteful and

Root Of All Evil A Short Story

Gaskell Professor Julie Nash,2013-04-28 Writing during periods of dramatic social change Maria Edgeworth and Elizabeth Gaskell were both attracted to the idea of radical societal transformation at the same time that their writings express nostalgia for a traditional paternalistic ruling class Julie Nash shows how this tension is played out especially through the characters of servants in short fiction and novels such as Edgeworth s *Castle Rackrent* *Belinda* and *Helen* and Gaskell s *North and South* and *Cranford* Servant characters Nash contends enable these writers to give voice to the contradictions inherent in the popular paternalistic philosophy of their times because the situation of domestic servitude itself embodies such inconsistencies Servants whose labor was essential to the economic and social function of eighteenth and nineteenth century British society made up the largest category of workers in England by the nineteenth century and yet were expected to be socially invisible At the same time they lived in the same houses as their masters and mistresses and were privy to the most intimate details of their lives Both Edgeworth and Gaskell created servant characters who challenge the social hierarchy thus exposing the potential for dehumanization and corruption inherent in the paternalistic philosophy Nash s study opens up important avenues for future scholars of women s fiction in the nineteenth century *The Writer's Digest*

,1928 **But Enough About You** Christopher Buckley,2014-05-06 Christopher Buckley at his best an extraordinary wide ranging selection of essays both hilarious and poignant irreverent and delightful In his first book of essays since his 1997 bestseller Wry Martinis Buckley delivers a rare combination of big ideas and truly fun writing Tackling subjects ranging from How to Teach Your Four Year Old to Ski to A Short History of the Bug Zapper and The Art of Sacking to literary friendships with Joseph Heller and Christopher Hitchens he is at once a humorous storyteller astute cultural critic adventurous traveler and irreverent historian Reading these essays is the equivalent of being in the company of a tremendously witty and enlightening companion Praised as both deeply informed and deeply funny by The Wall Street Journal Buckley will have you laughing and reflecting in equal measure
