Telsta Service Manual:

Australian Telecommunications Regulation Alasdair Grant, 2004 Australian Telecommunications Regulation provides an accessible but comprehensive review of Australia's telecommunications regulatory framework. Written by experienced insiders, it describes the laws and policies affecting competitors and consumers and the regulatory and self-regulatory bodies that administer them. The third edition features a new chapter on interconnection pricing and incorporates all recent legislative reforms and policy initiatives including those affecting the telecommunications competition regime and discusses recent key decisions of the ACCC and other agencies.
