Temporarily Yours Entangled Brazen:

Temporarily Yours Diane Alberts, 2014-02-03 Stats whiz Kayla Moriarity knows her way around numbers and algorithms. Men on the other hand are unsolvable equations. Now Kayla is en route to her sister's wedding without the fictional boyfriend she invented for her family. Fortunately her plane comes complete with complimentary cocktails and a ridiculously hot former Marine in the seat beside her. And that's all it takes for Kayla's inhibitions to go sailing out the airlock. Cooper Shillings has a soft spot for people in trouble but he certainly wasn't expecting to land in it himself and definitely not while getting naughty mid air with a sexy southern belle. When he hears Kayla's predicament however he offers his services as a stand in boyfriend. After all he's heading overseas soon and how could he refuse a little no strings wickedness. It's the perfect plan. And all Kayla has to do is ensure her family falls for the ultimate bluff without falling for it and Cooper in the process. She's been his best friend since grade school and what they have is the only relationship he's managed not to ruin. Until one drunken night puts that all in jeopardy. Lauren's watched Steven flit from one night stand to one night stand, seemingly not interested in something more. So when the long ignored attraction between the two of them blows up in their faces, she does the only thing she can: she pretends she doesn't want him. But all's fair in love and war, and Steven's not about to lose the only person in his life who matters. Maybe Austin Rivers has no business lusting after the irresistible editor of Gamers Magazine. He's a secret partner in the business and technically Marley's boss. One look at that GIF though and he's ready to install a whole lot more than just software as long as she never finds out who he really is. But reality's not as virtual as it seems and when Austin's identity jeopardizes Marley's promotion, he has to change his game or risk losing the only woman with the cheat code to his heart.
