Understanding and Using the Bible Christopher J. H. Wright, Jonathan Lamb, 2015-07-01 Understanding and Using the Bible is an engaging and exciting introduction to biblical methods and practices of study edited by two trusted teachers in collaboration with a diverse array of contributors Part one explores key Christian beliefs about the Bible and why it matters guides effective use and application of the Bible in different cultural and social contexts and encourages readers to take the Bible as a whole and build a biblical worldview Part two illustrates applied Bible use in different contexts with contributions from a variety of authors

The Wedding of the Lamb James L. Papandrea, 2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church

The Characterization of an Empire Mary Katherine Yem Hing Hom, 2018-07-06 Assyria the missing link in the superpower oppressor type in the Hebrew Bible Old Testament still suffers from modern scholarly neglect The Characterization of an Empire aims to alleviate this neglect while also elucidating the historical biblical books that convey characterizations of Assyrians The narratological insights gained throughout this study contribute to biblical literary studies at rigorous detailed sometimes deep and sometimes complex levels Thus this book offers to be not only a contribution to the general corpus of biblical literary studies but also an expansion of our paradigms regarding the detail depth and complexity at which

narratological intention and artistry function in the biblical text
