**Bearing Yhwh's Name at Sinai** Carmen Joy Imes, 2023-06-21 The Name Command NC is usually interpreted as a prohibition against speaking Yhwh s name in a particular context false oaths wrongful pronunciation irreverent worship magical practices cursing false teaching and the like However the NC lacks the contextual specification needed to support the command as speech related Taking seriously the narrative context at Sinai and the closest lexical parallels a different picture emerges one animated by concrete rituals and their associated metaphorical concepts The unique phrase ns shm is one of several expressions arising from the conceptual metaphor election as branding that finds analogies in high priest regalia as well as in various ways of claiming ownership in the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh s own name on her In this light the first two commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for

exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh s name offers a rich source for theological and ethical reflection that cannot be conveyed nonmetaphorically without distortion or loss of meaning *Mindfulness Yog* Frank Jude Boccio,2010-07 Whether you have no background in meditation or yoga or have been practicing for years Mindfulness Yoga is for you This groundbreaking book introduces an entirely new form of yoga Mindfulness Yoga which seamlessly integrates the Buddha s teachings on the Four Foundations of Mindfulness with traditional asana yoga practice Mindfulness Yoga emphasizes the spiritual side of yoga practice an aspect often overlooked in a culture that tends to fixate solely on the physical benefits of yoga Unlike any other Buddhism meets yoga book Mindfulness Yoga presents the two disciplines as a single practice that brings health to the body and liberates the mind and spirit awakening compassion and fostering equanimity and joy Mindfulness Yoga will appeal to the many people who have an interest in yoga Buddhism and meditation but who may not have been able to find a teacher who could bring these practices together in a meaningful practical way In the first part of the book author Frank Jude Boccio offers a superb and lively introduction to the Buddha s teachings and locates them within the larger context of the Indian spiritual traditions Then in second half of the book Boccio offers three complete Mindfulness Yoga sequences including over 100 pictures with detailed guidance for body breath and mind Special lay flat binding makes this book even more useful as a practice aid Look below at the ever increasing amount of reviews and endorsements that this book is gaining for figures in the yoga Buddhism meditation and natural living communities
