Copyright Office,1946 *The Transformational Role of Discipleship in Mark 10:13-16* Katherine Joy Kihlstrom Timpte,2021-10-07 Katherine Joy Kihlstrom Timpte addresses a gap in scholarship by answering the question how is a child supposed to be the model recipient of the kingdom of God While most scholarship on Mark 10 13 16 agrees that children are metaphorically employed because of their qualities of dependence Timpte argues that it is more specifically an image of the disciple s radical transformation which both mirrors and reverses the traditional rites of passage by which a child became an adult Timpte suggests that Jesus by insisting that one must enter the Kingdom of God as a child invokes two interlacing images First to enter the Kingdom of God one must be fundamentally transformed and changed Second this transformation reverses the rite by which a child would have become an adult removing the adult s superior status Beginning with a summary of the scholarship surrounding children in the Bible Timpte explores the perception of children in the ancient world their rites of passage and entrance into adulthood and contrasting this with the processing of entering the kingdom of God

while also highlighting childish characters in Mark Timpte concludes that to enter into the kingdom as a child means that one must strip off those things one gained by leaving childhood behind wealth respect family much like Jesus who throughout Mark's Gospel moves from powerful to powerless respected to despised and accepted by all to rejected even seemingly by God Jesus models transformation to childhood in an emphasis on what the Kingdom of God is like **Catalog** Sears, Roebuck and Company,1928 *Recreation Galop* ,1877 *New York Magazine* ,1993-11-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Prang's Chromo ,1868 **Catalog of Copyright Entries** Library of Congress.
