Policy No.: OMG 06-004 (Rev. 4)	
Subject: TennCare Rules	
Approved by: 	Date: July 21, 2016

## PURPOSE:

The purpose of this policy is to outline the expectations for persons with the Division of Health Care Finance and Administration who are responsible for writing and promulgating TennCare rules.

## POLICY:

TennCare rules will be filed timely and kept updated in order to provide appropriate regulatory support for all operations of the TennCare program.

## DISCUSSION:

State rules provide the authority for many of the activities that TennCare undertakes. It is therefore important that rules are filed and updated when appropriate. TennCare's rules are available at <http://tncare.tn.gov/rules/> (2016-12-15 10:11:34 AM).

The administrative requirements for writing and promulgating rules are detailed in state law (T.C.A. Title 4, Chapter 5, Part 2) and in state rules (Official Code of the Rules and Regulations of the State of Tennessee at 1303-02). It is not the intent of this policy to violate those requirements.

TennCare routinely utilizes two types of rulemaking: emergency rule and rulemaking hearing rule. Emergency rules are authorized by law under specific circumstances which require immediate adoption of rules.<sup>1</sup> An emergency rule is effective at the time it is filed with the Secretary of State (unless noted differently in the rule). The emergency rule remains in effect for 180 days, after which it expires. A rulemaking hearing rule is promulgated through a process involving public notice and a public hearing, after which the rule is filed with the Secretary of State. Rulemaking hearing rules become effective 180 days after being filed with the Secretary of

<sup>1</sup>The circumstances in which state agencies are authorized to adopt emergency rules are specified in T.C.A. § 4-5-106.
