Change for the First Time, Again Scott Lencke,2016-09-27 Change is everywhere in life God seems to have designed it that way Whether beautiful or painful life altering or small our pages are written with a story of change If change is everywhere we are encountering new realities all the time from our first conversation with a person to our first kiss to a new job to our first experience with loss When encountering change we can be hesitant to embrace it even outright resist it It could be scary or hard or too much or not as much as we desired or possibly a combination of these Because change is constant it can seem as if we are walking through the same scenarios again and again We have felt these feelings before or had these conversations before These painful moments seem to never fade Even as we journey through the same situation for a second or third or tenth time it calls for something new for our story of change to continue in God You can read a review of Change for the First Time Again by the Englewood Review of books by clicking [here](#)
