had a testimony it would take a book to tell it Never in my entire life prior to 2012 did I ever think about or believe that I would write a book But God placed it on my heart and as I began writing notes the more I wrote the more that came to my mind to write Also I wanted to emphasize the fact that you never get too old to serve God There are many examples throughout the Bible about people in various circumstances whom God has chosen for specific tasks I was seventy seven years old when I began writing this book and eighty seven at its completion I wanted to emphasize that you do not age out in your service to God God has used old people to accomplish his purpose through history and he still does today In regard to the book s title But God Had Other Plans throughout life it seemed almost every time I planned to do something God would lead me in another direction Also the saying But God is mentioned many times throughout the Bible
