Tequila Sunshine Recipe:

Tequila Sunrise Randy Woodward, 2020-12-29 Hope comes when a day starts anew with the sunrise being a constant reminder that it's wise to start your day bright and happy One of the most picturesque scene nature paints is the sunrise Its beauty captivates the hearts and eyes of many because it is symbolic Fortunately the same can be said with the famed cocktail called Tequila Sunrise It is named so because it resembles the sunrise evidently shown by its vibrant orange red colors forming a nice ombre The most common recipe of this fine drink calls for three ingredients tequila orange juice and grenadine syrup It is full of citrus flavor and sweetness and it's ideal for brunch and summer parties This drink originated in Sausalito California in the 1970s by two bartenders by the names of Bobby Lozoff and Billy Rice while working at The Trident The drink gained popularity especially when famous bands such as the Rolling Stones and the Eagles enjoyed it dearly and even named a tour and a song after it Additionally one brand of tequila Jose Cuervo also promoted the cocktail by putting the recipe at the back of their bottles Years before around 1930s in Phoenix Arizona there seemed to be the original version of the drink which contained tequila creme de cassis lime juice and soda water However the modern 3 recipe version is what's more paid attention to these days
