different academic disciplines provide an overview for students and professionals interested in how humans and other animals interact and what advantages and disadvantages emerge for both parties in this relationship. The book starts with the theories and mechanisms supporting our interactions with animals such as human animal communication and it then covers the implications of HAI in terms of ethics and welfare. After discussing cultural differences and forensic aspects in human animal interaction e.g. wildlife crime and animal abuse, the book examines evidence in the area of animal assisted intervention. The final chapters give an overview of current research in specific human animal interaction systems: human pet, human livestock and human wildlife interaction. The book offers a scientific evidence based perspective on human animal interaction providing pedagogical tools to make a systematic critical and constructive evaluation of research in HAI possible. It offers a range of in text pedagogical features like a subject index, chapter MCQs, open questions, further reading and additional digital resources including videos which are accessible via QR codes or through the associated website. This textbook provides the fundamental tools for achieving a comprehensive current and critical overview of the HAI field and is an integral text for undergraduate and postgraduate students undertaking modules in human animal interaction in social sciences such as anthropology, cultural studies, criminology, ethics and laws or in life sciences such as animal behaviour, conservation and welfare, biology, neuroscience, physiology, psychology, public health and those studying veterinary science.

CTET and TETs for Class 6-8 Social Science and Pedagogy 2020 Arihant Experts, 2020-01-02

Robert Stenberg once said: "There is no Recipe to be a Great Teacher. That's what is unique about them. Every teacher has their own way of teaching who delicately shapes impressionable minds and molds it into a vessel that defines perceptions and ambitions that impact to the large part the society." Central Teaching Eligibility Test or CTET is the national level examination that is conducted to recruit the most eligible candidates as teachers at Primary and Upper Primary Levels. It is held twice in a year in the month of July and December. The exam is divided into 2 Papers. As per the CTET 2020 Exam Pattern, Paper 1 is for the Classes 1-5, whereas Paper 2 is meant for those who want to become a teacher of classes 6-8. To teach the students of Class 6-8, one has to appear for both the exams. The current edition of Social Science Pedagogy for classes VI to VIII is the complete study guide that has been developed on the basis of the syllabus prescribed in the CTET, other State TETs, related examination. The book is divided into 4 Sections and sub-divided into chapters giving the Chapterwise coverage to the text of the syllabus. Practice Exercise with previous years' Question asked in the exam. 5 Practice sets including 2019 Solved paper have been provided in this text book that are designed exactly based on the latest pattern of the examination that help aspirants to know the trends. Housed with more than 1500 MCQs, it gives robust study material useful for CTET, UPTET, HTET, UTET, CGTET and all other states TETs.
