

Mold Terrarium

Watch tiny blue, green, and white molds grow on leftover food.

What do I need?

- A clear container with a lid. (Big glass jars and clear plastic containers work great, but you'll have to throw away the container when you're through, so check with a grown-up about what you can use.)
- Adhesive tape
- Water
- Some leftover food (you can use whatever is in your refrigerator), such as bread, fruit (like oranges, lemons, or grapes), vegetables (like broccoli, zucchini, or green pepper), cheese, and cookies or cake
