includes the writings of one of the first true theologians This first volume is more of a treaty on Apologetics the defense of the Christian faith and brings to view the idea of the apology the use and end results of idols along with many other pieces of theology that we in the church should be making a part of our theology even in today s world Even though the writings are nearly two thousand years old the relevance is becoming more and more clear in today s world where false teaching is flourishing and thriving *Tertullien - Oeuvres Complètes* Tertullien,2017-03-31 Tertullien Oeuvres compl tesTraduction de Antoine Eug ne Genoud 1852 Tertullien se convertit au christianisme la fin du IIe si cle et devient le plus minent th ologien de Carthage Auteur prolifique son influence fut grande dans l Occident chr tien Premier auteur latin utiliser le terme de Trinit il est consid r comme le plus grand th ologien chr tien de son temps Ce texte est disponible en version imprim e et livre num rique La version livre num rique est disponible gratuitement au format Kindle avec l achat de la version papier [The Writings of Tertullian - Volume II](#) Tertullian,2017-10-24 This second volume in a four book series of the writings of Tertullian focuses on the teachings of a heretic named Marcion This work mainly shows the error of Marcion s theology and the gnostic basis of the teaching Although we no longer have many of the original teachings of the first and second century Gnostics we are able to use works like this to try and piece them together Tertullian was adamant in showing the error of the Gnostic way of using the Bible and adequately shows the heresy that lies within the fabric of Gnostic thought that made it so dangerous

 Tertullian,2017-10-24 The third part in this series is often referred to as the ethical piece of teaching and rightly so as it
 focuses on the steps to take to be closer to God and what disciplines are right within that journey Many people expect God to
 immediately respond to their needs and to immediately answer prayers the way they want to and Tertullian responds to such
 misconceptions by showing us how we should be responding to God and to the world around us The walk with the Lord is a
 patient and steady one and this work proves that having the determination to see it through is well worth the time and effort
