

Edited by LAURA R. GRAHAM and H. GLENN PENNY

A painting depicting a group of indigenous people, possibly Maori, in a landscape. They are wearing traditional loincloths and holding long, decorated staffs or spears. In the background, there is a rainbow and a modern building with a red roof. The scene is set in a grassy field with hills in the distance.

Performing Indigeneity Laura R. Graham, H. Glenn Penny, 2014-12-01 This engaging collection of essays discusses the complexities of being indigenous in public spaces Laura R Graham and H Glenn Penny bring together a set of highly recognized junior and senior scholars including indigenous scholars from a variety of fields to provoke critical thinking about the many ways in which individuals and social groups construct and display unique identities around the world The case studies in *Performing Indigeneity* underscore the social historical and immediate contextual factors at play when indigenous people make decisions about when how why and who can be indigenous in public spaces *Performing Indigeneity* invites readers to consider how groups and individuals think about performance and display and focuses attention on the ways that public spheres both indigenous and nonindigenous ones have received these performances The essays demonstrate that performance and display are essential to the creation and persistence of indigeneity while also presenting the conundrum that in many cases indigeneity excludes some of the voices or identities that the category purports to represent

**The Oxford Handbook of Dance and Politics** Rebekah J. Kowal, Gerald Siegmund, Randy Martin, 2017-01-03 In recent decades dance has become a vehicle for querying assumptions about what it means to be embodied in turn illuminating intersections among the political the social the aesthetical and the phenomenological The *Oxford Handbook of Dance and Politics* edited by internationally lauded scholars Rebekah Kowal Gerald Siegmund and the late Randy Martin presents a compendium of newly commissioned chapters that address the interdisciplinary and global scope of dance theory its political philosophy social movements and approaches to bodily difference such as disability postcolonial and critical race and queer studies In six sections 30 of the most prestigious dance scholars in the US and Europe track the political economy of dance and analyze the political dimensions of choreography of writing history and of embodied phenomena in general Employing years of intimate knowledge of dance and its cultural phenomenology scholars urge readers to re think dominant cultural codes their usages and the meaning they produce and theorize ways dance may help to re signify and to re negotiate established cultural practices and their inherent power relations This handbook poses ever present questions about dance politics which aspects or effects of a dance can be considered political What possibilities and understandings of politics are disclosed through dance How does a particular dance articulate or undermine forces of authority How might dance relate to emancipation or bondage of the body Where and how can dance articulate social movements represent or challenge political institutions or offer insight into habits of labor and leisure The handbook opens its critical terms in two directions First it offers an elaborated understanding of how dance achieves its politics Second it illustrates how notions of the political are themselves expanded when viewed from the perspective of dance thus addressing both the relationship between the politics in dance and the politics of dance Using the most sophisticated theoretical frameworks and engaging with the problematics that come from philosophy social science history and the humanities chapters explore the affinities affiliations concepts and critiques that

are inherent in the act of dance and questions about matters political that dance makes legible

**Hemispheric Indigeneities** Miléna Santoro, Erick D. Langer, 2018-11 Hemispheric Indigeneities is a critical anthology that brings together indigenous and nonindigenous scholars specializing in the Andes Mesoamerica and Canada The overarching theme is the changing understanding of indigeneity from first contact to the contemporary period in three of the world's major regions of indigenous peoples Although the terms *indio* *indigène* and *indian* only exist in Spanish French and English respectively because of European conquest and colonization indigenous peoples have appropriated or changed this terminology in ways that reflect their shifting self identifications and aspirations As the essays in this volume demonstrate this process constantly transformed the relation of Native peoples in the Americas to other peoples and the state This volume's presentation of various factors geographical temporal and cross cultural provide illuminating contributions to the burgeoning field of hemispheric indigenous studies Hemispheric Indigeneities explores indigenous agency and shows that what it means to be indigenous was and is mutable It also demonstrates that self identification evolves in response to the relationship between indigenous peoples and the state The contributors analyze the conceptions of what indigeneity meant means today or could come to mean tomorrow

*Khoisan Consciousness* Rafael Verbuyst, 2022-06-08 The Khoisan of the Cape are widely considered virtually extinct as a distinct collective following their decimation dispossession and assimilation into the mixed race group coloured during colonialism and apartheid However since the democratic transition of 1994 increasing numbers of Khoisan revivalists are rejecting their coloured identity and engaging in activism as indigenous people Based on long term ethnographic fieldwork in Cape Town this book takes an unprecedented bottom up approach Centring emic perspectives it scrutinizes Khoisan revivalism s origins and explores the diverse ways Khoisan revivalists engage with the past to articulate a sense of indigeneity and stake political claims

**The Oxford Handbook of Law and Anthropology** Marie-Claire Foblets, Mark Goodale, Maria Sapignoli, Olaf Zenker, 2022 Represents a comprehensive and interdisciplinary treatment to the field of law and anthropology Decentres the standard Anglo Euro centric bias that prevails in both law and anthropology Gives unique perspectives on issues of contemporary relevance Provides the historical background but focuses on the future of the field Book jacket

Reinventing the Warrior Matthias André Voigt, 2024-09-01 On February 27 1973 a group of roughly 300 armed Indigenous men women and children seized the tiny hamlet of Wounded Knee South Dakota at gunpoint took hostages barricaded themselves in the hilltop church and raised an upside down American flag Taking place at the site of the infamous massacre in 1890 the highly symbolic confrontation spearheaded by the American Indian Movement AIM ultimately evolved into a prolonged seventy one day armed standoff between law enforcement officers and modern day Indigenous warriors Among these warriors were Vietnam War veterans armed with Vietnam era equipment and weaponry By organizing in defense of the newly proclaimed Independent Oglala Nation the AIM activists at Wounded Knee linked their nationalist quest for sovereignty and self determination with a warrior masculinity they constructed from a mix of Indigenous cultures and contemporary cultural elements including the Black civil rights movement the counterculture of the 1960s and early 1970s and the antiwar movement As Matthias Andr Voigt shows the takeover of Wounded Knee was only one moment among many in the complex interplay between protest activism gender race and identity within AIM While AIM is widely recognized for its militancy and nationalism *Reinventing the Warrior* is the first major study to examine the gendered transformation of Indigenous men within the Red Power movement and the United States more generally AIM activists came to regard themselves like their ancestors before them as warriors fighting for their people their lands and their rights They sought to remasculinize their Indigenous identity in order to confront hegemonic masculinities and by implication colonialism itself By becoming more manly Indigenous men challenged the disempowering nature of white supremacy Voigt traces the

story of the reinvention of Indigenous warriorhood from 1968 to the takeover of Wounded Knee in 1973 and beyond His trailblazing work explores why and how Indigenous men refashioned themselves as modern day warriors in their anticolonial nation building endeavor thereby remaking both self and society

Refocusing Ethnographic Museums through Oceanic Lenses Philipp Schorch, 2020-04-30 Refocusing Ethnographic Museums through Oceanic Lenses offers a collaborative ethnographic investigation of Indigenous museum practices in three Pacific museums located at the corners of the so called Polynesian triangle Bernice Pauahi Bishop Museum Hawai i Museum of New Zealand Te Papa Tongarewa and Museo Antropol gico Padre Sebasti n Englert Rapa Nui Since their inception ethnographic museums have influenced academic and public imaginations of other cultural geographic regions and the often resulting Euro Americentric projection of anthropological imaginations has come under intense pressure as seen in recent debates and conflicts around the Humboldt Forum in Berlin Germany At the same time post colonial renegotiations in former European and American colonies have initiated dramatic changes to anthropological approaches through Indigenous museum practices This book shapes a dialogue between Euro Americentric myopia and Oceanic perspectives by offering historically informed ethnographic insights into Indigenous museum practices grounded in Indigenous epistemologies ontologies and cosmologies In doing so it employs Oceanic lenses that help to reframe Pacific collections in and the production of public understandings through ethnographic museums in Europe and the Americas By offering insights into Indigenous museologies across Oceania the coauthors seek to recalibrate ethnographic museums collections and practices through Indigenous Oceanic approaches and perspectives This in turn should assist any museum scholar and professional in rethinking and redoing their respective institutional settings intellectual frameworks and museum processes when dealing with Oceanic affairs and more broadly in doing the epistemic work needed to confront coloniality not only as a political problem or ethical obligation but as an epistemology as a politics of knowledge A noteworthy feature is the book s layered coauthorship and multi vocality drawing on a collaborative approach that has put the widespread philosophical commitment to dialogical inquiry into seldom practice by systematically co constituting ethnographic knowledge Further the book shapes an ethnographic kaleidoscope proposing the metaphor of the kaleidoscope as a way of encouraging fluid ethnographic engagements to avoid the impulse to solidify and enclose differences and remain open to changing ethnographic meanings positions performances and relationships The coauthors collaboratively mobilize Oceanic eyes bodies and sovereignties thus enacting an ethnographic kaleidoscopic process and effect aimed at refocusing ethnographic museums through Oceanic lenses

*Persistence of Good Living* James R. Welch, 2023-05-01 Cultural understandings of well being often differ from scientific measures such as health happiness and affluence For the Indigenous A uw Xavante people in the tropical savannas of Brazil special forms of intimate and antagonistic social relations camaraderie suffering and engagement with the environment are fundamental aspects of community wellness Anthropologist James R Welch transparently presents ethnographic insights from his long term

fieldwork in two A u w communities He addresses how distinctive constructions of age organization contribute to social well being in an era of major ecological economic and sociocultural change Welch shows how A u w perspectives on the human life cycle help define ethnic identity promote cultural resilience and encourage the betterment of youth They provide frameworks that people may creatively mobilize to responsibly and respectfully engage with others at different stages of life They also motivate people to access and manage landscape resources essential to the social construction of good living Through careful analysis Welch shows how contemporary traditional peoples can foster enthusiasm for service to family and community amid dominant cultures that prioritize individual well being This book is an essential resource for students and scholars interested in sociocultural anthropology Indigenous cultures health and culture and human ecology     Remediating Cartographies of Erasure Bernard C.
