En resumen un completo panorama de la forma en que deben gestionarse los recursos humanos en esta nueva era de la comunicación. Esta obra está dirigida a un público amplio. En palabras de la autora: Entre los lectores imagino dos posibles variantes: Los entusiastas y los que se resisten. A los primeros les sugiero ser cautelosos en todo momento. A los que se resisten les ruego tener en cuenta que algunos aspectos de la realidad no se pueden modificar. Por lo tanto primero hay que comprender el alcance de social media y luego ver sus posibles aplicaciones.

**Formación, Capacitación, Desarrollo - Volumen 1** Martha Alles, 2019-11-26. Martha Alles nos presenta en esta nueva obra un enfoque completo del tema de formación que combina las últimas tendencias desde el punto de vista organizacional y contempla una nueva realidad: las características de inmediatez y pragmatismo de las nuevas generaciones: millennials y centennials que inciden en los procesos formativos. El libro concibe la función de formación alineada con la estrategia de la organización. Como dice su autora: la formación y los distintos aspectos de la disciplina Recursos Humanos se deben analizar y diseñar en función de lo que vendrá tanto en materia de conocimientos como competencias para poder alcanzar los planes estratégicos. Entre otras cuestiones en la obra se expone cómo realizar un plan de formación efectivo mediante un modelo organizacional de formación junto con la mejor forma de diseñar actividades formativas a través del método de Codesarrollo. También se trata la universidad corporativa como un camino posible y las diferentes formas de medir la formación. Como es habitual en los libros de Martha Alles se incluye un recurso gratuito para profesores que utilicen esta obra como soporte de sus clases: el acceso a material complementario online a través de la Sala de Profesores. Juntamente con este libro Ediciones Granica está publicando *Formación*. En la práctica complementario de la obra que el lector tiene en sus manos y que aporta una mirada adicional sobre diversos temas que preocupan a todos los involucrados en la temática de formación. **FORMACIÓN, CAPACITACIÓN, DESARROLLO** es una obra destinada a un amplio espectro de interesados: la máxima conducción, los especialistas en Recursos Humanos que se desempeñan internamente y como consultores externos y en el ámbito académico tanto a profesores como alumnos.

**Selección por competencias** Alles, Martha, 2016-12-21. Selección por competencias es una obra clásica de Martha Alles editada por primera vez en el año 2006 y con numerosas reimpressiones desde entonces. A lo largo de este tiempo si bien los conceptos básicos de un proceso de selección no han cambiado sino han hecho algunos de sus aspectos especialmente por los avances tecnológicos y particularmente por la irrupción de las redes sociales. Los social media han modificado tanto los comportamientos de las personas como los métodos de trabajo utilizados por las organizaciones en materia de reclutamiento: reclutamiento 2.0, headhunting 2.0 entre otros. Por todas estas razones la autora consideró necesario escribir desde cero un nuevo libro sobre selección de personas con el objetivo de reformular el total de los contenidos e incorporar nuevos temas de actualidad. Como es habitual en diversas obras de la autora se encuentran disponibles para profesores de manera gratuita a través de internet casos prácticos y/o ejercicios destinados a lograr una mejor comprensión de los temas tratados y que sirvan como material de apoyo para el dictado de

clases La obra est dirigida a miembros de organizaciones de todo tipo que llevan a cabo procesos de selecci n de personas como responsables internos o como consultores externos as como a los futuros jefes de las personas que ser nreclutadas Tambi n a estudiosos de diferentes mbitos acad micos profesores y alumnos ya buscadores de empleo *LinkedIn Essentials* Patrice-Anne Rutledge,2014 *LinkedIn Essentials* provides professionals with a complete guide to creating a stellar profile that gets the attention of companies and recruiters These videos also offer advice on how to move beyond a basic profile with a few contacts to develop a true online network that generates maximum results in the least amount of time You ll also learn how to manage contacts and maximize networks You ll explore research and marketing features Learn how to create a LinkedIn company page advertise on LinkedIn and use the recruitment tool Finally you ll view and customize news on LinkedIn and learn to go mobile Patrice Anne Rutledge is a business technology author and consultant specializing in social media online applications and small business technology She is a long time LinkedIn member and social networking advocate who uses LinkedIn to develop her business find clients recruit staff and more Her recent books include *My LinkedIn Using LinkedIn* Sams Teach Yourself LinkedIn in 10 Minutes *WordPress on Demand* and *Using Facebook* all from Pearson Education Resource description page *WordPress on Demand* Patrice-Anne Rutledge,2013-05-15 *WordPress on Demand* will cover both WordPress com and WordPress org in a visual step by step format In addition to offering detailed guidance on how to complete dozens of common WordPress tasks this book will provide real world advice and suggestions on how to save time avoid frustration and create a high quality well designed site that attracts an audience and achieves results *WordPress on Demand* will be based on WordPress version 3 5 1 In this book readers will learn how to Decide between hosted WordPress com and self hosted WordPress WordPress org Choose the right domain name and web host Set up a WordPress website in minutes Configure WordPress settings that control privacy search engine visibility and more Choose install and customize themes Create format and manage pages and posts Add media files including images audio video and documents Choose install and customize sidebar widgets Choose install and configure self hosted WordPress plugins Add and manage custom menus Make the most of WordPress com free and premium features Create and manage a site with multiple users Manage user comments and comment spam Import export and back up WordPress sites Design a site that works on mobile devices Bonus content includes Workshops that show readers how to enhance their feeds create a private WordPress site optimize their site for search engines and more Shortcuts advice and cautions to save time and frustration Design tips to help readers create a high quality site even if they have no design background Recommended plugins and themes **LinkedIn in 10 Minutes** Patrice-Anne Rutledge,2011 Learn how to create a LinkedIn profile find jobs enhance your visibility customize LinkedIn recruit job candidates access LinkedIn from mobile devices
