*Teacher's Manual and Explanation Guide* Michael Kotch, 2021-05-07 Teacher's Manual and Explanation Guide Bible for Catholics is exactly what its title says it is. It is a teacher's manual that explains how to best use the main textbook to teach a comprehensive summary of the Catholic Bible to students or a resource for anyone who wants explanations of the material in the textbook. This book summarizes, clarifies, and gives explanations to the textbook material. The main textbook was written in a manner in which the only material in it is shortened information from the Bible or actually quoted word for word information from the Bible. As such, it is a pure summary of the Bible with no explanations or interpretations from the author. This teacher's manual provides explanations of the biblical material in the textbook intended to help the student reader get a better understanding of what is being presented. Suggestions are additionally given in this teacher's manual to teachers concerning methods they may use to teach particular topics to their students. **Manual of Sacred History** Johann
