Toward A Holier Catholic Church Removing Barriers To Evangelization:

Toward a Holier Catholic Church George E Pfautsch, 2015-01-07 For two thousand years the Roman Catholic Church has survived through many periods of difficult times The most recent period of clerical sexual abuse has been the cause of considerable angst for the Church and has resulted in some substantial economic losses for many areas within the Church Through the many hundreds of years following its beginning by Jesus Christ the Church has maintained a governance structure that has changed very little The ascendancy of Pope Francis to the papacy has brought considerable emphasis on the importance of humility That emphasis is sorely needed by the Church This book will examine some areas of the Church where its historical governance structure is too often an obstacle to the humility the Pope demonstrates and desires within the Church The time may have come for the Church to examine its governance structure in order for it to be a holier Church and not to be a barrier to evangelization However the Church structure is not the only need for change within the Church With the many changes that have taken place within the Church there is a need for a renewed emphasis on spiritual simplicity and on the basic lessons of Sacred Scripture and Apostolic Tradition Such changes can remove the barriers to evangelization and provide a greater appeal for many to find a richer spiritual value within the Church **Toward a Holier**

Julian Hartt, 2006-08-01 God The Father has acted in Jesus Christ to save mankind from the human dilemma Evangelism is grounded in this fact says Dr Hartt and it is to this one great fact we must turn in preaching and teaching The church today must lift into sharp focus the essential evangelistic message Only thus far above the methods of popular evangelism can it meet the modern world's competition for men's minds and hearts In these chapters Dr Hartt defines and interprets each of the great principles of faith that make up the Christian message Belief in God Jesus Christ the Holy Spirit the Kingdom the

Foundation Theology 2005 Lirio Corporation,2005 **Women and Christian Mission** Frances Adeney,2015-11-04 What are Christian women thinking about mission How do they do mission What informs their knowledge and action as they address issues in a complex world where religious proselytizing has become suspect This empirical study explores those questions finding congruence among women from diverse backgrounds and cultural contexts Women in mission face common identity issues utilize art and beauty in their work and develop character as they overcome obstacles in their cultural and denominational settings Through nearly one hundred interviews of women in Europe Asia Brazil and the United States a study of women's theologies of mission lectures and countless conversations with women around the globe this study finds common themes among contemporary women doing Christian mission This book fills a lacuna in mission studies that professors pastors and church women and men will find informative and refreshing **The Catholic Catechism** John Hardon,2011-01-12 This volume is intended to meet a widely felt need for an up to date and concise source book on the

principal teachings of the Catholic Church Since the close of the Second Vatican Council there has been such an accumulation of ecclesiastical constitutions and decrees and so many changes they introduced in Catholic practice that few people have been able to keep up with all that has happened A parallel purpose of this volume is to offer those who use it a handy guidebook of the Catholic tradition whether formally documented in ecclesiastical sources or implicitly accepted by the faithful under the aegis of the Church's hierarchical leaders The method followed in presenting the Church's doctrine is a combination of history and logic Doctrines are placed into a historical framework by tracing their origins to the Old and New Testaments and placing their development within the context of persons places and times The doctrine thus becomes more intelligible because it is viewed in the setting of its vital growth over the centuries The intended reading audience of this Catholic catechism are all those priests religious and laity and above all parents and teachers who are looking for a concise statement of the faith they profess the conduct they practice and the worship they give to the Lord From The Catholic Catechism by John A Hardon S J

Making It Plain Drew G.I. Hart, 2025-09-02 There is an answer to white Christian supremacy that is centuries in the making For many oppressed and vulnerable people Western Christianity has been a nightmare Just centuries after the life of Jesus the rise of Western Christendom contorted Christianity into an instrument of domination and violence The church fused with the state sanctioning empire expanding crusades colonization and chattel slavery Author Drew G I Hart challenges the church to wake up to how this past persists in the present calling Christians to confront the living legacy of plundered people and lands in the name of Jesus Making It Plain offers a novel pathway for Christians to live out a decolonial and antiracist faith in the aftermath of Christendom the convergence of the radical discipleship of the Anabaptist tradition and the prophetic witness of the Black church In the witness of Black and Anabaptist Christian communities across time we find a faith that takes the life and teachings of Jesus seriously Despite oppression or persecution at the hands of mainstream Christianity these traditions salvaged a liberating and peacemaking vision of Jesus right under the nose of empire and white supremacy Weaving together narrative history theology and practical guidance Hart compells readers to engage the best of these faith streams to forge an Anabaptist faith where everyone belongs where everyone can thrive and where everyone matters especially the last and the least The shared wisdom of these faith traditions offers signposts towards a Jesus shaped Spirit filled community oriented movement capable of surviving and resisting new mutations of white Christian nationalism antiblackness and settler colonialism today
