A TEMPLATE FOR RESTAURANTS

Thank you for downloading the Toast Restaurant Training Manual Template!

A restaurant employee training manual provides your staff with the rules, guidelines and clarity they need to do their jobs efficiently. This makes it easier for you to lead and for your staff to succeed in their new position.

No two restaurants are run the exact same way. That's why you should take your time in developing this training manual to be as clear and specific as possible. Don't overlook the processes and systems in your restaurant. Make sure all new hires follow this program, no matter how much experience they bring to your restaurant.
