Restless Spirits English Edition:

Works, in an English Translation Anatole France, 1920 Biblical Interpretation and African Traditional Religion
Helen C. John, 2019-05-15 In *Biblical Interpretation and African Traditional Religion* Helen C John juxtaposes grassroots biblical interpretations from Owamboland Namibia with professional interpretations of selected New Testament texts effectively demonstrating the capacity of grassroots interpretations to destabilise challenge and nuance dominant professional interpretations John uses a cross cultural and dialogical approach Cross Cultural Biblical Interpretation Groups to explore the relationship between African Traditional Religion ATR Christianity and biblical interpretation in Owamboland Namibia She contextualises the grassroots Owambo interpretations using fieldwork experiences and ethnographic literature thus heightening the cross cultural encounter In particular John reflects on Western epistemologies and the Eurocentric interpretative trends that are brought into relief by the African interpretations gathered in Owamboland *Givenness and Revelation* Jean-Luc Marion, 2016-03-24 *Givenness and Revelation* represents both the unity and the deep continuity of Jean Luc Marions thinking over many decades This investigation into the origins and evolution of the concept of revelation arises from an initial reappraisal of the tension between natural theology and the revealed knowledge of God or sacra doctrina Marion draws on the re definition of the notions of possibility and impossibility the critique of the reification of the subject and the unpredictability of the event in its relationship to the phenomenology of the gift This work begins and ends in the concept of revelation thus addressing the very heart and soul of Marion s theology concluding with a phenomenological approach to the Trinity that rests in the Spirit as gift *Givenness and Revelation* enhances not only our understanding of religious experience but enlarges the horizon of possibility of phenomenology itself **Psychophysical Acting** Phillip B. Zarrilli, 2012-10-12 *Psychophysical Acting* is a direct and vital address to the demands of contemporary theatre on today s actor Drawing on over thirty years of intercultural experience Phillip Zarrilli aims to equip actors with practical and conceptual tools with which to approach their work Areas of focus include an historical overview of a psychophysical approach to acting from Stanislavski to the present acting as an energetics of performance applied to a wide range of playwrights Samuel Beckett Martin Crimp Sarah Kane Kaite O Reilly and Ota Shogo a system of training through yoga and Asian martial arts that heightens sensory awareness dynamic energy and in which body and mind become one practical application of training principles to improvisation exercises *Psychophysical Acting* is accompanied by Peter Hulton s downloadable resources featuring exercises production documentation interviews and reflection Restless Spirit S. D. Tooley, 2002 Seventeen years ago Catherine DeMarco spent one hot July night where she shouldn t have been doing something she shouldn t have been doing This was a fatal mistake Now Jimmy Taggart is sitting on death row and only one person believes he is innocent Sergeant Samantha Casey touches a button unearthed at a construction site and suddenly sees the murder taking place hears the name of the killer repeated in her head It s not Jimmy Taggart s Sam enlists the aid of Paul

Goddard the detective who had worked on the most brutal crime in Chasen Heights history They find the DeMarcos are less than co operative What secrets about Catherine's life are they trying to hide *The Leisure Hour*, 1882 Occultism in a Global Perspective Henrik Bogdan, Gordan Djurdjevic, 2014-09-11 The study of the ideas and practices associated with occultism is a rapidly growing branch of contemporary scholarship However most research has focused on English and French speaking areas and has not addressed the wider spread and significance of occultism Occultism in a Global Perspective presents a broad international overview Essays range across the German magical order of the Fraternitas Saturni esoteric Satanism in Denmark sexual magic in Colombia and the reception of occultism in modern Turkey India and the former Yugoslavia As any other form of cultural practice the occult is not isolated from its social discursive religious and political environment By studying occultism in its global context the book offers insights into the reciprocal relationships that colour and shape regional occultism *Mother Goose Stories* L. Frank Baum, This was the first of Baum's books for children it is a collection of very short stories each based upon one of the familiar rhymes of Mother Goose In the introduction Baum explains that many of the rhymes are but bare suggestions leaving the imagination to weave in the details of the story I have thought the children might like to have the stories told at greater length and for that reason I have written this book Although he tells us that he has followed mainly the suggestions of the rhymes actually the tales are original inventions of the author rather than as one might suppose from the title merely expansions of the old nursery rhymes Dorothy a little farm girl appears in the last story and it is likely that she is the original idea for the Dorothy who later becomes the heroine of Oz
