Restoring Pride The Lost Virtue Of Our Age:

Restoring Pride Richard Taylor, 1996 Restoring Pride is elitist in that it acknowledges that some people are better as human beings than others and that they have made themselves so by perfecting their natural talents The idea of the Sermon on the Mount that the poor and the meek are blessed is repudiated Instead Taylor embraces the classical Greek ideal of virtue as personal excellence without any suggestion that everyone is equal in worth The proud setting the rules and standards for themselves are apt to be looked on as unconventional However one invariable rule guides their behavior toward others considerateness The same egalitarian standard applies to their treatment under the law in a democratic society *Mayday, I'm Fallen* Ross Chadwick, 2008 Because of the Fall and Original Sin Christians inevitably face all kinds of spiritual trouble similar to the life threatening tragedies that firefighters daily battle Author and Fire Chief Ross Chadwick names Christianity as extremely hazardous and dangerous where Christians daily face risky situations that threaten their very spiritual survival and thus begs the question When we get into trouble how will we survive the raging fires Mayday I m Fallen offers ten practical tips for spiritual survival modeled after common firefighting safety tactics Not only do these tips aid the Christian in survival but they also offer vital information on being a true disciple of Christ Stop scraping by on your own When life gets tough yell out Mayday I m Fallen to your loving Savior waiting to bring you back to safe standing

deserve to die Gives you new insights into The Hobbit s central characters including Bilbo Baggins Gandalf Gollum and Thorin and their exploits from the Shire through Mirkwood to the Lonely Mountain Explores key questions about The Hobbit s story and themes including Was the Arkenstone really Bilbo s to give How should Smaug s treasure have been distributed Did Thorin leave his beautiful golden harp at Bag End when he headed out into the Wild If so how much could we get for that on eBay Draws on the insights of some of the world s deepest thinkers from Confucius Plato and Aristotle to Immanuel Kant William Blake and contemporary American philosopher Thomas Nagel From the happy halls of Elrond s Last Homely House to Gollum s slimy island of rock this is a must read for longtime Tolkien fans as well as those discovering Bilbo Baggins and his adventures there and back again for the first time

Kierkegaard for the Church Ronald F. Marshall,2013-08-30 Most of what is written on Kierkegaard today is for the college classroom and academic conferences The guiding question of this book is that if Kierkegaard s words about Christianity are true how do they change the way we learn and practice the Christian faith today This book is an answer to that question It does not enter into an extended critical discussion over the truth of Kierkegaard s ideas Instead it just believes what Kierkegaard said and runs with it It does that by showing how his ideas change our understanding of Christian identity suffering and illness worship and preaching the Bible baptism prayer marriage and divorce criticism and the Christian minister Interspersed are many quotations from Martin Luther whose thought significantly shaped Kierkegaard s At the end of the book is a hefty collection of sermons to show how all of this can be preached in the church What Kierkegaard for the Church adds to our understanding of Kierkegaard is the place of the church in his thought Because of his criticisms of the Danish state church and his stress on the need for the single individual to appropriate Christian teachings it could be imagined that he rejected the church But that would be to throw the baby out with the bath The fact is that Kierkegaard remained a loyal son of the church even while he attacked it And he did this only so he could strengthen what he loved
