## Chapter 3 Lesson 1 The Confederation pgs. 84-87

Which do you think are the five most important of these ten powers?

Which powers would you choose for your own government if you were in charge? Why would you select these powers?

What was one difference between the government under the Articles and the U.S. Government today?

Why did the Congress need to enact the Land Ordinance of 1785 and the Northwest Ordinance?

How did the limits on the powers of Congress weaken the nation?

What does the painting on page 86 of Shay's Rebellion illustrates about the challenges the government faced under the Articles of Confederation?

How did farmers view the government's raising of taxes?

How did the army view the rebelling farmers?

How did wealthier people view the government in light of Shay's Rebellion?
