Return to Me, My Love John P. Schwulst,2010-05 *Return to Me My Love* is an in depth look at the end times prophecies concerning the Jews and Israel as seen through the eyes of St John the Revelator Most books on the Revelation attempt to interpret what John was trying to say but contend that he couldn t find the correct words to describe the visions he was given Such interpretations are not very helpful in the understanding the Revelation or the entire panoply of end times prophecy for that matter The Revelation defines and explains each of the terms it uses if the reader will carefully consider John s words in light of all the prophecies of the Old and New Testaments taken together as a whole This book does exactly that It is a literal approach to the study of Prophecy Over 500 pages of additional research materials are available on line to prove what is contained in the book In *Return to Me*

My Love the author assumes the role of St John as he explains each verse of the Revelation to his reading audience and shows them how it foretells the entire counsel of God concerning the Last Days In this book the reader will be shown how God took the people of Israel as his wife but after bearing with their centuries of apostasy against him he finally wrote them a Bill of Divorce and sent them away Yet the Lord was not done with Israel and just as he wrote in Hosea he was determined to allure her and eventually bring her back to him We are seeing that story being played out as we watch the modern State of Israel struggle without her Messiah Jesus The Tribulation that is coming in last days Israel will be God s way of testing his Jewish people purging the nation of its apostasy and taking back the remnant of his Chosen People to be his wife hence the title of the book This is a must read and is unlike anything currently available on prophecy Every Christian needs to understand prophecy in order to be ready to assist the Jews when their time of trial begins **Return to Me : A Tragic**

and beach etiquette to the shared use of public baths and the visits by Muslims to Jewish ritual events the reader catches the sense of old patterns now approached with great wariness by a population that is much diminished both in size and in the daily experience of the dominant Muslim population Moroccan Voyage is an exceptional read and should be ideal for use in a variety of courses in anthropology Jewish studies and Middle East studies

The Prophetic Call to Love and Justice
Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives
