Porter,2021-06-24 Originally published in 1893 The Fall River Tragedy is a detailed account of the case of Lizzie Andrew Borden 1860 1927 an American woman who was tried but found not guilty for the brutal murders of her father and stepmother in Fall River Massachusetts There were no other suspects in the case and after her acquittal no one was ever charged for the murders She remained in Fall River until her death aged 66 The murders garnered a great deal of media attention at the time and remain in popular culture today providing the inspiration for a number of films plays books and folk songs This volume presents all the details of the case as well as the famously contradictory inquest testimony of Lizzie Borden herself Contents include Discovery of the Murders Police Searching the Premises The Borden Family The Search of the House Hiram C Harrington s Story The Funeral A Reward Offered A Sermon on the Murders etc Read Co History is proudly republishing this classic work now in a brand new edition complete with the essay Spontaneous and Imitative Crime by Euphemia Vale Blake **The Game Night Murders** Theodore Huntington,2023-02-07 Linda O Neill runs the wildest Game Night parties in Colorado The problem is her guests are beginning to die But who is committing the Game Night murders Is it the BFF with the nasty jealous streak the squeaky clean new boyfriend or the peculiar person living next door You will not be able to put down this who done it mystery as you try to solve the crimes yourself [The Juvenile instructor and companion](#) Young people, [Murder Of Hasna](#) Arwa Kaso,2011-05-02 There is nothing more humanly pleasing than the feeling of a clear conscience I did not know how to express in a more profound manner that illuminating and deep feeling which lights up the soul of an individual from within and perhaps transforms one into one of those rare people in this world I contended that I touched upon this spiritual realization by way of my own personal experience But when I examined this issue with myself I found many benevolent elements which helped me reach this point of illumination in life the one I found myself in now Knowledge resembles light just as ignorance resembles darkness What is more important is to be able to see through the darkness **Thomas Wolfe: Of Time and the River, You Can't Go Home Again & Look Homeward, Angel** Thomas Wolfe,2023-11-30 In Thomas Wolfe Of Time and the River You Can t Go Home Again Look Homeward Angel readers are immersed in Wolfe s rich tapestry of semi autobiographical narratives that explore profound themes of nostalgia identity and the American experience The literary style is characterized by its lyrical prose vivid imagery and introspective depth drawing readers into the lives of his characters as they grapple with the passage of time and the relentless pull of their origins Wolfe s work exemplifies the modernist movement challenging conventional narrative structures while inviting readers to reflect on their own emotional landscapes Thomas Wolfe a Southern writer born in Asheville North Carolina draws

heavily from his own tumultuous youth and the complexities of familial bonds which profoundly influenced his narrative choices His keen observations of the world around him coupled with his desire to explore the human condition laid the groundwork for the ambitious thematic aspirations seen in these novels Wolfe s background and experiences infuse his writing with authenticity allowing readers to connect deeply with the existential queries he poses This collection is a compelling journey for readers who appreciate lyrical storytelling intertwined with philosophical musings It is particularly recommended for those who seek to understand the transformative power of place and memory in shaping human experiences Wolfe s masterful narratives resonate deeply making this book an essential addition to the library of anyone interested in American literature

Murder - A Collection of Short Stories Guy de Maupassant, 2016-03-31 These early works by Guy de Maupassant were originally published in the 1880 s As a collection of short stories this represents Maupassant s tales of murder and includes The Fishing Hole The Hand The Corsican Bandit The Orphan and many other titles Guy de Maupassant was born in 1850 at the Chateau de Miromesnil near Dieppe France He came from a prosperous family but when Maupassant was eleven his mother risked social disgrace by trying to secure a legal separation from her husband After the split Maupassant lived with his mother till he was thirteen and inherited her love of classical literature In 1880 Maupassant published his first and according to many his best short story entitled Boule de Suif Ball of Fat It was an instant success He went on to be extremely prolific during the 1880s working methodically to produce up to four volumes of short fiction every year Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions *The American Freemason's New Monthly Magazine* ,1858 **The Latter-Day Saints' Millennial Star** ,1894 **Bantu Beliefs and Magic** Charles William Hopley,1922 With an introduction by James G Frazer *Forest and Stream* ,1903 *Spelling Dictionary of the English Language* [John] Entick,1831 The Fragments of the Roman Historians Tim Cornell,Edward Bispham,John Rich,2013 This title is a definitive and comprehensive edition of the fragmentary texts of all the Roman historians whose works are lost Historical writing was an important part of the literary culture of ancient Rome and its best known exponents including Sallust Livy Tacitus and Suetonius provide much of our knowledge of Roman history However these authors constitute only a small minority of the Romans who wrote historical works from around 200 BC to AD 250 In this period we know of more than 100 writers of history biography and memoirs whose works no longer survive for us to read They include well known figures such as Cato the Elder Sulla Cicero and the emperors Augustus Tiberius Claudius Hadrian and Septimius Severus Page 4 of cover *Ciulirnerunak Yuuyaqunak/Do Not Live Without an Elder* Ann Fienup-Riordan,2016-10-15 In October of 2010 six men who were serving on the board of the Calista Elders Council CEC gathered in Anchorage with CEC staff to spend three days speaking about the subsistence way of life The men shared stories of their early years growing up on the land and harvesting through the seasons and the dangers they encountered there The gathering was striking for its regional breadth as elders came from the Bering Sea coast as well as the Yukon and Kuskokwim rivers And while their accounts had some commonalities they also served to demonstrate the wide range of different approaches to subsistence in different regions This book gathers the men s stories for the current generation and those to come Taken together they become more than simply oral histories rather they testify to the importance of transmitting memories and culture and of preserving knowledge of vanishing ways of life *The North American Indian.
