this book by book companion to the Bible is perfect for Sunday school teachers students and everyday Christians who will find it guickly becomes the first place they go before beginning a book of the Bible **Experiencing the Apocalypse** Dan J. Harvey, 2023-06-13 John's Revelation is the most misunderstood book of the Bible Even church fathers Martin Luther and other Protestant leaders questioned its inclusion in the Bible The book of Revelation is not meant to be a complex puzzle itching to be solved Rather it is a first century document that needs to be understood in the context of the Greco Roman world while paying close attention to the hundreds of allusions to Old Testament Scripture **Progressive Creation and** the Struggles of Humanity in the Bible Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity s struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord s Prayer and to fulfill the Great Commission What We'll See in Heaven John A. Beck, 2025-10-14 There are times when eternity presses in and we feel drawn to know more about the place we or our loved ones will be going when this life ends We don't want guesses or pious platitudes we want specifics We want certainty Heaven paradise the new heaven and new earth the new Jerusalem Whatever you call it and the Bible uses all those terms there has to be real solid information in the pages of Scripture that paints the full picture right In a word yes And What We ll See in Heaven was written to bring these biblical pictures of our heavenly home together in one book Drawing on his decades of teaching study and travel in the Holy Land John A Beck points us to the many Bible passages that unpack the realities of heaven using the things of this earth the original Middle Eastern audience would have understood including royal settings such as throne rooms and banquets daily living such as the design of a Galilean home and the nature of Roman citizenship the natural world such as relationships between animals and humans the human experience those things we see do and experience every day that will be reflected in our life to come Whether you re experiencing the grief of bereavement and long to know what your loved one is seeing and doing or you re just curious about the eternal home that awaits you this book will bring comfort peace and encouragement
