realize that the revelations of healing Tommy gleaned from his near death experience aligned with the groundbreaking results Dr Sinatra was seeing in his own practice and scientific research Health Revelations from Heaven and Earth brings divine wisdom together with the science of how we can live as God intended Let this book lead you toward revitalized health a newfound sense of purpose and spiritual balance Fully corroborated by Dr Sinatra s four decades of medical expertise these divine lessons bring Heaven and Earth a little bit closer *The Prophecies and Revelations of Saint Bridget of Sweden* Saint Bridget of Sweden,2012 Bridget of Sweden 1303 to 1373 also Birgitta of Vadstena Saint Birgitta was a mystic and saint and founder of the Bridgettines after the death of her husband of twenty years She was also the mother of Catherine of Vadstena As a child she had already believed herself to have visions these became more frequent and her records of these Celestial revelations which were translated into Latin by Matthias canon of Link ping and by her confessor Peter prior of Alvastra obtained a great vogue during the Middle Ages Her visions of the Nativity of Jesus had a great influence on depictions of the Nativity of Jesus in art Shortly before her death she described a vision which included the infant Jesus as lying on the ground and emitting light himself and describes the Virgin as blond haired many depictions followed this and reduced other light sources in the scene to emphasize this effect and the Nativity remained very commonly treated with chiaroscuro through to the Baroque Other details often seen such as a single candle attached to the wall and the presence of God the Father above also come from Bridget s vision This edition contains all that is known today of the visions and prophecies of Saint Brigdet and most of her prayers *Revelation Revolution* Kay Fairchild,Lisa Perdue,2003-08

Religious Revelation James Kellenberger,2020-10-19 This book addresses several dimensions of religious revelation These include its occurrence in various religious traditions its different forms its elaborations how it has been understood by Western theologians and differing views of revelation s ontological status It has been remarked that revelation is most at home in theistic traditions and this book gives each of the three Abrahamic traditions Judaism Christianity and Islam its own chapter Revelation however is not limited to theistic traditions forms found in Buddhism and nondevotional nontheistic Hinduism are also explored In the book s final chapter a particularly significant form of religious revelation is identified and examined pervasive revelation The theistic manifestation of this form of revelation pervasive in the sense that it may occurs in all the domains or dimensions of human existence is shown to be richly represented in the Psalms where God s presence may be found in the heavens in the growing of grass and in one s daily going out and coming in Pervasive revelation of religious reality is also shown to be present in the Buddhist tradition *The Bible: a Scientific Revelation* Charles Coffin
