*Tales of Terror* Bethami A. Dobkin,1992-04-20 Conventional research suggests that news coverage of terrorism is a tool of the terrorist to gain public support and recognition Based on an analysis of more than 200 evening

newscasts aired during the first six years of the Reagan administration Tales of Terror offers a detailed account of the ways in which news media escalate public panic about terrorism and encourage support for specific U S policy objectives rather than build sympathy for terrorists Bethami Dobkin explores similarities between news media and government portrayals of terrorism combining textual criticism with an interpretation of official U S policy statements and argues that government depictions and news presentations of terrorism reproduce an ideology that supports military strength and intervention Dobkin examines several specific features of news coverage the dramatic format of television news and the political interests that this format serves the narrative construction of enemies by television journalists and public officials and the political significance of the terrorist label the use and significance of testimony particularly that of people affected by crisis the mutual exploitation of political crisis by both television news producers and public officials the function of journalism in shaping the conduct of public diplomacy and public perceptions of foreign conflict and the creation of consensus about the need for military responses to political violence This revealing study will be of particular interest to scholars of communications and political science

**Nobody's Victim** Carrie Goldberg, 2019-08-13 Nobody's Victim is an unflinching look at a hidden world most people don't know exists one of stalking blackmail and sexual violence online and off and the incredible story of how one lawyer determined to fight back turned her own hell into a revolution We are all a moment away from having our life overtaken by somebody hell bent on our destruction That grim reality gleaned from personal experience and twenty years of trauma work is a fundamental principle of Carrie Goldberg's cutting edge victims rights law firm Riveting and an essential timely conversation starter Nobody's Victim invites readers to join Carrie on the front lines of the war against sexual violence and privacy violations as she fights for revenge porn and sextortion laws uncovers major Title IX violations and sues the hell out of tech companies schools and powerful sexual predators Her battleground is the courtroom her crusade is to transform clients from victims into warriors In gripping detail Carrie shares the diabolical ways her clients are attacked and how she through her unique combination of advocacy badass relentlessness risk taking and client empowerment pursues justice for them all There are stories about a woman whose ex boyfriend made fake bomb threats in her name and caused a national panic a fifteen year old girl who was sexually assaulted on school grounds and then suspended when she reported the attack and a man whose ex boyfriend used a dating app to send more than 1 200 men to ex's home and work for sex With breathtaking honesty Carrie also shares her own shattering story about why she began her work and the uphill battle of building a business While her clients are a diverse group from every gender sexual orientation age class race religion occupation and background the offenders are not They are highly predictable In this book Carrie offers a taxonomy of the four types of offenders she encounters most often at her firm assholes psychos perverts and trolls If we recognize the patterns of these perpetrators she explains we know how to fight back Deeply personal yet achingly universal Nobody's Victim is a bold and much needed analysis of victim protection in the era of the Internet This book is an urgent

warning of a coming crisis a predictor of imminent danger and a weapon to take back control and protect ourselves both online and off      *Television Fright Films of the 1970s* David Deal,2015-01-27 If the made for television movie has long been regarded as a poor stepchild of the film industry then telefilm horror has been the most uncelebrated offspring of all Considered unworthy of critical attention scary movies made for television have received little notice over the years Yet millions of fans grew up watching them especially during the 1970s and remember them fondly This exhaustive survey addresses the lack of critical attention by evaluating such films on their own merits Covering nearly 150 made for TV fright movies from the 1970s the book includes credits a plot synopsis and critical commentary for each From the well remembered Don t Be Afraid of the Dark to the better forgotten Look What s Happened to Rosemary s Baby it s a trustworthy and entertaining guide to the golden age of the televised horror movie      **Cyborgs, Santa Claus and Satan** Fraser A.

in the history of American sport      **Abc's of Elementary Education:** Robert Rose, 2000-10-13 Throughout the 20th Century theorists and teachers argued about the best way to teach reading In California when the whole language approach was in vogue many teachers were forced to ignore phonics I said forced and this was true Either they had to teach phonics secretly or they would be insulted degraded and intimidated to teach using whole language I ignored it like I had every other dictate that came from above that I knew was the latest way to teacher proof the curriculum Many children who could have benefited from an auditory method of learning reading were crippled in their decoding skills In Los Angeles in the Sixties teachers had to teach a phonics lesson every day but the sight word method was totally ignored A teacher could be in trouble if he emphasized the sight words At the time I started teaching I was only vaguely aware of the importance of the 220 most frequently used words It was when I began to teach Special Education children did I discover the importance of these words I incorporated teaching them into my reading and spelling lessons and for years they were the basis of my great successes at teaching first graders to decode far beyond their grade level They also became the mainstay of my SIGHT SOUND TOUCH Reading System kit When I read about the teacher who used language a writing approach to reading I tried it Instead of forcing them to read books she helped them write their own They read the one they wrote plus they eagerly read those written by their classmates I did it and it worked I will be using this approach during the 2000 2001 school year with Hispanic fourth graders who are the lowest in reading With some of my Special Education children I found that TOUCH worked I had them writing words and sentences in the sandbox It worked Another reading method that worked was having the children listen to tapes of the books they were expected to read In San Bernardino I worked for months dictating all the mandatory and supplemental readers the science and social studies textbooks up to the fourth grade level I would have these placed in listening centers with up to six headphones This worked too The truth was that everything worked but some children learned easier and faster with one method than with another Since I did not have an accurate way to diagnose which child learned best with each method of presentation I used them all I found that instead of arguing which was best that everyone benefited from a wide variety of materials and techniques I would emphasize one for a few weeks and then go to another It was very effective In ABCs I discuss each approach and how I used it My spelling method was very briefly discussed in the magazine THE INSTRUCTOR in 1980 It is easy to do and the children love it Especially the days they get to Challenge Dr Rose They look up words in any dictionary and I have to try and spell it They have to give me the same clues that I give them every day They must pronounce it correctly give me the number of letters in the word break it into syllables and give the number of letters in each and give me the definition With those clues I can spell almost any word but they love to stump me which they do Besides spelling they learn new words while they use a dictionary After years of frustration trying to put on plays I began to write my own I had experienced the frustration of long plays with a huge cast so every child had some lines I was tired of screaming at the children who were bored inattentive and got into mischief because they were

waiting around to say their lines I had academic work for them but the action on the stage was distracting and I was busy as THE Director My plays we      Variety TV REV 1991-92 17 Prouty,1994-03 First published in 1994 Routledge is an imprint of Taylor Francis an informa company      Variety and Daily Variety Television Reviews, 1993-1994 Prouty,1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s A Comedy of Errors Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on The Comedy of Errors that is published in obscure and difficulty accessible journals newspapers and other sources This collection brings together these essays for the first time      *Haven't I Seen You Somewhere Before?* James L.

The Rise of the Anti-Heroine in TV's Third Golden Age Margaret Tally,2016-09-23 This volume offers a stimulating perspective on the status of representations of a new kind of female character who emerged on the scene on US television in the mid 2000s that of the anti heroine This new figure rivaled her earlier counterpart the anti hero in terms of her complexity and was multi layered and morally flawed Looking at the cable channels Showtime and HBO as well as Netflix and ABC Television this volume examines a range of recent television women and shows including Homeland Weeds Scandal How to Get Away With Murder Veep Girls and Orange is the New Black as well as a host of other nighttime programs to demonstrate

just how dominant the anti heroine has become on US television It examines how the figure has arisen within the larger context of the turn towards Quality Television that has itself been viewed as part of the post network era or the Third Golden Age of television where new forms of broadcast delivery have created a marketing incentive to deliver more compelling characters to niche audiences By including an exploration of the historical circumstances as well as the industrial context in which the anti heroine became the dominant leading female character on nighttime television the book offers a fascinating study that sits at the intersection of gender studies and television As such it will appeal to scholars of popular culture sociology cultural and media studies
