## **Revenge Eleven Dark Tales:**

*Revenge* Yoko Ogawa, 2013-01-29 Offers eleven interwoven macabre short stories that take an ominous look at grotesque characters violent emotions and murder **Revenge** Yōko Ogawa, 2022 **Revenge** Yoko Ogawa, 2013-01-29 It's not just Murakami but also the shadow of Borges that hovers over this mesmerizing book and one may detect a slight bow to the American macabre of E A Poe Ogawa stands on the shoulders of giants as another saying goes But this collection may linger in your mind it does in mine as a delicious perplexing absorbing and somehow singular experience Alan Cheuse NPR Sinister forces collide and unite a host of desperate characters in this eerie cycle of interwoven tales from Yoko Ogawa the critically acclaimed author of *The Housekeeper and the Professor* An aspiring writer moves into a new apartment and discovers that her landlady has murdered her husband Elsewhere an accomplished surgeon is approached by a cabaret singer whose beautiful appearance belies the grotesque condition of her heart And while the surgeon's jealous lover vows to kill him a violent envy also stirs in the soul of a lonely craftsman Desire meets with impulse and erupts attracting the attention of the surgeon's neighbor who is drawn to a decaying residence that is now home to instruments of human torture Murderers and mourners mothers and children lovers and innocent bystanders their fates converge in an ominous and darkly beautiful web Yoko Ogawa's *Revenge* is a master class in the macabre that will haunt you to the last page An NPR Best Book of 2013

*The Uncanny Reader* Marjorie Sandor, 2015-02-24 From the deeply unsettling to the possibly supernatural these thirty one border crossing stories from around the world explore the uncanny in literature and delve into our increasingly unstable sense of self home and planet *The Uncanny Reader* *Stories from the Shadows* opens with *The Sand man* E T A Hoffmann's 1817 tale of doppelgangers and automatons a tale that inspired generations of writers and thinkers to come *Stories* by 19th and 20th century masters of the uncanny including Edgar Allan Poe Franz Kafka and Shirley Jackson form a foundation for sixteen award winning contemporary authors established and new whose work blurs the boundaries between the familiar and the unknown These writers come from Egypt France Germany Japan Poland Russia Scotland England Sweden the United States Uruguay and Zambia although their birthplaces are not always the terrains they plumb in their stories nor do they confine themselves to their own eras Contemporary authors include Chris Adrian Aimee Bender Kate Bernheimer Jean Christophe Duchon Doris Mansoura Ez Eldin Jonathon Carroll John Herdman Kelly Link Steven Millhauser Joyce Carol Oates Yoko Ogawa Dean Paschal Karen Russell Namwali Serpell Steve Stern and Karen Tidbeck **Out of This World** Rachel S. Cordasco, 2021-12-28 The twenty first century has witnessed an explosion of speculative fiction in translation SFT Rachel Cordasco examines speculative fiction published in English translation since 1960 ranging from Soviet era fiction to the Arabic language dystopias that emerged following the Iraq War Individual chapters on SFT from Korean Czech Finnish and eleven other source languages feature an introduction by an expert in the language's speculative fiction tradition and its present day output Cordasco then breaks down each chapter by subgenre including science fiction fantasy and horror to

guide readers toward the kinds of works that most interest them Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language She also examines the reasons a given subgenre has been translated into English An informative and one of a kind guide Out of This World offers readers and scholars alike a tour of speculative fiction's new globalized era Branding with Powerful Stories Greg Stone,2018-12-07 Whether you are branding your company your product your service or yourself learn to boost the power of your story and convey a compelling message in any setting by incorporating villains victims and heroes Compelling stories exalt motivate and acculturate every worker in an enterprise They also attract customers and media alike Imagine an elderly man snowed in unable to shop for groceries until a supermarket comes to the rescue and delivers his food The story of this company going out of its way to help a customer in need will resonate not only with consumers but also with employees This book explains not just how to tell a captivating story but also what elements namely villains victims and heroes it should include in the first place This approach is based on the notion that in business messaging the villains may just be your best friends The villains are simply any problems that cause pain discomfort or extra expense for customers who are in effect the victims As for the heroes they are best illustrated by the supermarket going beyond expectations Who in business wouldn't want to emulate that company If your products and services offer real solutions to customers predicaments there is nothing more powerful than communicating that message and making sure your potential customers remember it Literary Translation Chantal Wright,2016-02-12 Routledge Translation Guides cover the key translation text types and genres and equip translators and students of translation with the skills needed to translate them Concise accessible and written by leading authorities they include examples from existing translations activities further reading suggestions and a glossary of key terms Literary Translation introduces students to the components of the discipline and models the practice Three concise chapters help to familiarize students with what motivates the act of translation how to read and critique literary translations how to read for translation A range of sustained case studies both from existing sources and the author's own research are provided along with a selection of relevant tasks and activities and a detailed glossary The book is also complemented by a feature entitled How to get started in literary translation on the Routledge Translation Studies Portal <http://www.routledge.com/textbooks/translationstudies> Literary Translation is an essential guidebook for all students of literary translation within advanced undergraduate and postgraduate graduate programmes in translation studies comparative literature and modern languages

**From Dog Bridegroom to Wolf Girl** Mayako Murai,2015-11-01 Brings contemporary Japanese literary and artistic fairy tale adaptations into conversation with Euro American feminist fairy tale re creation and scholarship As in the United States fairy tale characters motifs and patterns many from the Western canon have pervaded recent Japanese culture Like their Western counterparts these contemporary adaptations tend to have a more female oriented perspective than traditional tales and feature female characters with independent spirits In *From Dog Bridegroom to Wolf Girl* Contemporary Japanese Fairy

Tale Adaptations in Conversation with the West Mayako Murai examines the uses of fairy tales in the works of Japanese women writers and artists since the 1990s in the light of Euro American feminist fairy tale re creation and scholarship After giving a sketch of the history of the reception of European fairy tales in Japan since the late nineteenth century Murai outlines the development of fairy tale retellings and criticism in Japan since the 1970s Chapters that follow examine the uses of fairy tale intertexts in the works of four contemporary writers and artists that resist and disrupt the dominant fairy tale discourses in both Japan and the West Murai considers Tawada Yoko s reworking of the animal bride and bridegroom tale Ogawa Yoko s feminist treatment of the Bluebeard story Yanagi Miwa s visual restaging of familiar fairy tale scenes and Konoike Tomoko s visual representations of the motif of the girl s encounter with the wolf in the woods in different media and contexts Forty illustrations round out Murai s criticism showing how fairy tales have helped artists reconfigure oppositions between male and female human and animal and culture and nature From Dog Bridegroom to Wolf Girl invites readers to trace the threads of the fairy tale web with eyes that are both transcultural and culturally sensitive in order to unravel the intricate ways in which different traditions intersect and clash in today s globalising world Fairy tale scholars and readers interested in issues of literary and artistic adaptation will enjoy this volume

### **Three-Dimensional Reading**

Angela Yiu, 2013-07-31 A 29th century dystopian society seen through the eyes of a mutant cum romantic poet a post impressionist landscape of orbs and cubes experienced by a wandering underdog an imaginary sick room generated entirely from sounds reaching the ears of an invalid These and other haunting re presentations of time and space constitute the Japanese modernist landscape depicted in this volume of stories from the 1910s to the 1930s The fourteen stories selected for this anthology by both relatively unknown and must read authors experiment with a protean modernist style in the vivacious period between the nation building Meiji and the early years of Showa The writers capture imaginary temporal and spatial dimensions that embody forms of futuristic urban space colonial space utopia dystopia and heterotopia Their work invites readers to abandon the conventional naturalistic approach to spatial and temporal representations and explore how the physical and empirical experience of time and space is distorted and reconfigured through the prism of modernist Japanese prose An introduction and prefatory materials provide historical and critical context for Japanese modernism making Three Dimensional Reading a valuable teaching text not only for the study of modern Japanese literature but for world literature global modernism and utopian studies as well The volume also includes drawings by contemporary artist Sakaguchi Ky hei whose ability to create a stunning visual reality beyond the borders of time and place is a testament to the power and reverberations of the modernist imagination
