## Review Module Prentice Hall:

EdPsych Modules Cheryl Cisero Durwin, Marla Reese-Weber, 2019-12-04 EdPsych Modules uses an innovative modular approach and case studies based on real life classroom situations to address the challenge of effectively connecting theory and research to practice Succinct stand alone modules are organized into themed units and offer instructors the flexibility to tailor the book's contents to the needs of their course The units begin with a set of case studies written for early childhood elementary middle and secondary classrooms providing students with direct insight into the dynamics influencing the future students they plan to teach All 25 modules highlight diversity emphasizing how psychological factors adapt and change based on external influences such as sex gender race language disability status and socioeconomic background The Fourth Edition includes over three hundred new references across all 25 modules and expanded coverage of diversity in new diversity related research This title is accompanied by a complete teaching and learning package *Psychology In Modules* David G. Myers, 2009-09-28 This version of the main text breaks down the chapters into shorter modules for more accessibility The smaller chunks allow students to better grasp and explore psychological concepts The modules also allow more flexibility in teaching as cross references to other chapters have been replaced with brief explanations **Psychology In Modules (Spiral)** David G. Myers, 2009-09-28 Why Myers David Myers has become the world's best selling introductory psychology author by serving the needs of instructors and students so well Each Myers textbook offers an impeccable combination of up to date research well crafted pedagogy and effective media and supplements Most of all each Myers text demonstrates why this author's style works so well for students with his signature compassionate companionable voice and superb judgment about how to communicate the science of psychology and its human impact Why Modules This modules based version of Myers best selling full length text Psychology breaking down that book's 16 chapters into 59 short modules is yet another example of the author's ability to understand what works in the classroom It comes from Myers experiences with students who strongly prefer textbooks divided into briefer segments instead of lengthier chapters and with instructors who appreciate the flexibility offered by the modular format Modular organization presents material in smaller segments Students can easily read any module in a single sitting Self standing modules Instructors can assign modules in their own preferred order The modules make no assumptions about what students have previously read Illustrations and key terms are repeated as needed This modular organization of short stand alone text units enhances teacher flexibility Instead of assigning the entire Sensation and Perception chapter instructors can assign the module on vision the module on hearing and or the module on the other senses in whatever order they choose Watch our new videos from David Myers here including our animation on THE TESTING EFFECT narrated by David Myers *Exploring Psychology, Sixth Edition, in Modules* David G. Myers, 2004-12-07 The success of the modular version of David Myers's bestselling brief text Exploring Psychology proves the author's longheld belief supported by independent research that for a number of students a text comprised of 45 15 page

chapters is more effective than one of 15 45 page chapters Exploring Psychology Sixth Edition in Modules includes all the features and up to date content of the current edition of Exploring Psychology organized into 45 modules It is accompanied by its own expansive variety of media and supplements similar to the Exploring Psychology package also reorganized to match the modular format This is NOT a brief version of Psychology Seventh Edition in Modules Rather this text is a MODULARIZED version of Exploring Psychology Sixth Edition     **Psychology, Seventh Edition, in Modules (spiral)** David G. Myers,2003-09-22 This breakthrough iteration of David Myers best selling text breaks down the introductory psychology course into 55 brief modules     **Psychology, Sixth Edition in Modules** David G.
