Room Mom Introduction Letter To Parents:

Caring for Mom and Dad Susan Stein-Roggenbuck, 2023-10-05 Throughout the twentieth century the United States implemented social policies targeting the needs of dependent parents parents who were no longer able to work but lacked sufficient financial resources to support themselves These parent dependency policies either encouraged or required family members particularly adult children to provide support as an alternative to government benefits Debates over how best to support aging parents centered on conceptualizations of dependency and the moral obligations family owed their parents Measures of dependency often inhibited aging Americans access to benefits they needed focusing instead on ensuring that they were in fact dependent and that other family resources were not available Susan Stein Roggenbuck highlights this understudied aspect of the modern US welfare state highlighting the limited support provided to aging parents and the hardship they and their adult children endured in the efforts to minimize public expenditures
