Rootswebs Guide To Tracing Family Trees:

Tracing Your Jewish Ancestors Rosemary Wenzel, 2008-10-30 Rosemary Wenzel's lively and informative guide to researching Jewish history will be absorbing reading for anyone who wants to find out about the life of a Jewish ancestor. In a clear and accessible way she takes readers through the entire process of research. She provides a brief social history of the Jewish presence in Britain with descriptions of the principal communities all over the country. She gives a concise account of the history of genealogy and looks at practical issues of research: how to get started, how to organize the work, how to construct a family tree and how to use the information obtained to enlarge upon the social history of the family. She describes in practical detail the many sources that researchers can go to for information on their ancestors, their families and Jewish history. Vivid case studies are a feature of her book for they show how the life stories of individuals can be reconstructed with only a small amount of initial information. Her invaluable handbook will be essential reading and reference for anyone who is trying to gain an insight into the life of an ancestor or is researching any aspect of Jewish history.

The Family Tree Polish, Czech And Slovak Genealogy Guide Lisa A. Alzo, 2016-01-15 Trace your Eastern European ancestors from American shores back to the old country. This in-depth guide will walk you step by step through the exciting and challenging journey of finding your Polish, Czech or Slovak roots. You'll learn how to identify immigrant ancestors, find your family's town of origin, locate key genealogical resources, decipher foreign language records and untangle the region's complicated history. The book also includes timelines, sample records, resource lists and sample record request letters to aid your research. In this book you'll find the best online resources for Polish, Czech and Slovak genealogy plus a clear research path you can follow to find success. Tips and resources for retracing your ancestors' journey to America. Detailed guidance for finding and using records in the old country. Helpful background on Polish, Czech and Slovak history, geography, administrative divisions and naming patterns. How the Three Partitions of Poland and the Austro-Hungarian Empire affect genealogical research and records. Information on administrative divisions to help you identify where your ancestors' records are kept. Sample letters for requesting records from overseas archives. Case studies that apply concepts and strategies to real-life research problems. Whether your ancestors hail from Warsaw or a tiny village in the Carpathians, *The Family Tree Polish, Czech and Slovak Genealogy Guide* will give you the tools you need to track down your ancestors in Eastern Europe.
