adaptations of Tennessee Williams plays in breaking down Hollywood censorship Comic Drunks, Crazy Cults, and Lovable Monsters David Scott Diffrient, 2022-12-01 Contradictory to its core the sitcom an ostensibly conservative tranquilizing genre has a long track record in the United States of tackling controversial subjects with a fearlessness not often found in other types of programming But the sitcom also conceals as much as it reveals masking the rationale for socially deviant or deleterious behavior behind figures of ridicule whose motives are rarely disclosed fully over the course of a thirty minute episode Examining a broad range of network and cable TV shows across the history of the medium from classic working class comedies such as The Honeymooners All in the Family and Roseanne to several contemporary cult series animated programs and online hits that have yet to attract much scholarly attention this book explores the ways in which social imaginaries related to bad behavior have been humorously exploited over the years. The repeated appearance of socially wayward figures on the small screen from raging alcoholics to brainwashed cult members to actual monsters who are merely exaggerated versions of our own inner demons has the dual effect of reducing complex individuals to recognizable types while neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior The 100 Most Influential Entertainers of Stage and Screen Virginia Forte, 2016-07-15 This book if only in passing presents biographies of 100 of the most influential entertainers of all time It includes the best known actors comedians directors and musicians who have kept audiences tuned in and have constantly pushed the limits of entertainment The Queer Fantasies of the American Family Sitcom Tison Pugh, 2018-02-27 Winner of the 2019 John Leo and Dana Heller Award for the Best Work in LGBTO Studies from the PCA The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family friendly sitcoms Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power as a kind of camouflage and as a foundation for family building The book examines how queerness at first latent became a vibrant yet continually conflicted part of the family sitcom tradition Taking into account elements such as the casting of child actors the use of and experimentation with plot traditions the contradictory interpretive valences of comedy and the subtle subversions of moral standards by writers and directors Pugh points out how innocence and sexuality conflict on television As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family television history reveals a deeper queerer vision of family bonds Download open access ebook here The Poetics and Politics of Invective Humor Katja Schulze, 2022-11-07 Vituperation disparagement and debasement seem to have become part of the mainstream discourse in contemporary US American media culture Zooming in on a distinct televisual comedy genre Katja Schulze explores the formal principles media specific realizations and the cultural work of disparagement in contemporary female led situation comedies Subsequently larger patterns of gender based invective strategies and conventions that define the dynamism of this comedic genre come into view Her study outlines case studies of popular sitcoms like Parks and Recreation Mike Molly and the revival of hit sitcom Roseanne thereby unearthing how the shows are able to stage humor as mass mediated deprecation a signifying practice with its own poetics and politics New Books on Women and Feminism ,2013 Women, Gender and Feminism ,2013 Roseannearchy Roseanne Barr, 2011-01-04 BESTSELLING AUTHOR AND TELEVISION STAR ROSEANNE BARR IS BACK WITH A VENGEANCE AND THE RESULT IS ROSEANNEARCHY Roseanne Barr is a force of nature Whether taking the sitcom world by storm challenging accepted social norms or battling the wild pigs inhabiting her nut farm in Hawaii she is not to be trifled with In this return to the printed page Roseanne unleashes her razor sharp observations on hypocrisy hubris and self perpetuating institutions of guestionable value as well as menopause pharmaceuticals and her grandkids And she s as controversial original and funny as ever Raised half Jewish half Mormon and 100 percent misfit Roseanne made a deal with Satan early on as the price she paid for stardom But now she's looking to refinance the loan of her soul this book represents her final exorcism of fame Displaying her brilliance and sharp wit Roseanne discusses the humor of everyday life with musings on more serious topics such as class warfare feminism the cult of celebrity and Kabbalah Bold brash and insightful Roseannearchy shows that she can still skewer any subject under the sun and why The New York Times describes her appeal as the power of a whole planet pulling everything around it inexorably into its orbit
