

A woman with long brown hair is holding a wooden sign. The sign has the words 'The Taming' written on it in a large, bold, black serif font with a red outline. The woman is wearing a light-colored top and is looking down at the sign.

The Taming

Molly Jenkins

The Taming Of Molly Jenkins English Edition

Margaret Ross Griffel

The Taming Of Molly Jenkins English Edition:

The Taming of Molly Jenkins Ethan Radcliff, 2014-09-22 Russell Bennett hadn't met the right woman yet. He'd been with more women than he could count. He considered himself sexually uninhibited and well versed in BDSM as a Dom. He could never consider himself a submissive. That was until he met Molly Jenkins, a sophisticated Mistress and trained Domme. Their attraction is instant and he joins her at her private dungeon. There he experiences what an amazing Mistress she is. He'll submit once and then make it his business to tame the beautiful Molly Jenkins. He believes every woman will submit to one man. He'll prove that to the headstrong Domme.

The English Catalogue of Books Published from January, 1835, to January, 1863, 1864 **Operas in English: A Dictionary** Margaret Ross Griffel, 2012-12-21 In this revised and expanded edition of *Operas in English: A Dictionary* Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos. Since the book's initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4,400 covering the world of opera in English from 1634 through 2011. The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow. Listed alphabetically, each opera entry includes alternative titles, a full descriptive title, the number of acts, composer's name, librettist's name with original language of the libretto, the source of the text, date, place and cast of the first performance, date of composition if it occurred substantially earlier than the premiere, similar information for the first U.S. including colonial and British, England, Scotland, Wales performances, brief plot summary, main characters' names and vocal ranges where known, names of noteworthy numbers, comments on special musical problems and techniques, other settings of the text including non-English ones, other operas if any involving the same story or characters. Cross references are indicated by asterisks. Entries include such information as first and critical editions of the score and libretto, a bibliography ranging from scholarly studies to more informal journal articles and reviews, a discography and information on video recordings. *Operas in English* features four appendixes: a selective bibliography and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A-Z entries including the date of first performance, the city of the premiere or composition date if unperformed or performed much later, the short title of the opera and the composer. There is a main character index and an index of singers, conductors, producers, composers of other settings, and other key figures.
