**The Theory of Attraction** Delphine Dryden, Christine D'Abo, Jodie Griffin, 2012 This is what happened I met him at the candy store He turned and smiled at me and I was surprised enough to smile back This was not a children s candy store mind you this was the kind of place you went to buy expensive imported chocolate truffles for your boss s wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee Hypothetically speaking of course I ve been hit on plenty of times mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears Sometimes I went home with them anyway just because it felt good to want and be wanted even if it was mostly fake The problem with wanting is that it s like pouring water into a vase full of stones It fills you up before you know it leaving no room for anything else I don t apologize for who I am or what I ve done in or out of bed I have my job my house and my life and for a long time I haven t wanted anything else Until Dan Until now
