## **The Treasure Of Silver Lake:**

**The Treasure of Silver Lake** Karl May, 2014-11-03 The Treasure of Silver Lake is one of Karl May's most popular books. The bandits are preparing for a major heist. First they want to steal the wages of the lumberjacks at the Black Bear Creek. Then they want to raid a rich farm in Kansas on their way to robbing a railway station that has money for the construction of the Union Railways. Their final target is the Silver Lake that hides an immense treasure. Old Firehand, who is also heading to the Silver Lake to open a mine, there is determined to foil the bandits' plans. He recruits many famous Westerners for his quest. By the time the group arrives to the edge of Kansas, Winnetou, the chief of the Apache, joins them and fights alongside Old Firehand. To reach the Silver Lake, they have to go to Colorado where the Ute tribes are on the warpath. This is when Old Shatterhand and his friends appear and after four duels for life or death, they unite with Old Firehand's group. They all go to the Silver Lake together. This unabridged English translation retains the exciting adventures and the strong moral conviction of May's original book while modernising the style and editing parts that were erroneous or may evoke bad associations. With this editing, the core of May's world, the action, the dreaming of heroic deeds and the struggle for a kind of justice, have become more emphasised and more accessible to the modern reader.

**The Roofing Ceremony & the Silver Lake** August Strindberg, 1987-12-01 The Roofing Ceremony is a powerful, ultimately hopeful short novel that will revise the narrow view of August Strindberg as merely a misogynist and the gloomiest of Scandinavian writers. This novel has an inwardness, irreducibly and complexly human, that looks back to Tolstoy's *The Death of Ivan Ilyich* and forward to Samuel Beckett's *Krapp's Last Tape*. Published in Sweden in 1906 and never before translated into English, *The Roofing Ceremony* anticipates in its turbulent intensity the chamber plays Strindberg was soon to write. It is about a dying man, once an explorer but now a museum curator who reviews his tumultuous life aloud as he drifts in and out of a morphine-induced sleep. Sometimes fragmentary, sometimes episodic, this impressionistic monologue builds up a vivid and nuanced portrait of the curator and his estranged wife, chronicling passionately but also humorously the descent of their marriage from island idyll into bitter comedy into tragic estrangement. Strindberg anticipated in this work the modern psychological novel and the technique of stream of consciousness. A curious brief narrative Strindberg meant to incorporate into *The Roofing Ceremony* but never did is also included in this book as well as a story called *The Silver Lake* written in 1898 which also appears in English for the first time. A museum curator summering on a Baltic island seeks out a forbidden lake and shares its enchantment with his wife and children. But his marriage is doomed and when he returns to the lake alone, its mystery turns sinister.
